Welcome...

Can you believe it, QXMEN is one year old! If anyone would like to tally up the number of cocks printed in the twelve issues, I'd love to know!

This issue we've got an interview with Hungarian born actor, director and producer, Roland Dane. With a wealth of experience behind him he's fronting Colt's new Olympus line. We've also got an interview with Alan Roberts, of MA1 fame. A man who knows the fetish scene inside and out, his nights are some of the best in London. We've also interviewed celebrated photographer Mike Arlen and "hoodie with attitude" Toby James. QXMEN popped by Covent Garden's Sauna Bar armed with the new Pink Jack towels. You will have no doubt have seen the Pink Jack flags flying at previous Pride events.

The latest porn releases reviewed, a plethora of kinky paraphernalia and naughty toys, a sporty websites special, a round-up of International Mr Leather from Chicago, a health feature on "ball care" and more, make this one of the most well rounded issues so far.

And just who has the best cock pic? We've selected this month's winner and put it along with the winners from the last eleven issues on page 65. What's your favourite? Think yours is better? Keep sending in your cock shots!

GREAT DANE

QXMEN chats to porn actor and director **Roland Dane**

DATE OF BIRTH: October 19, 1976 **HEIGHT:** 5'11" (177cms)

WEIGHT: 170lbs (77kgs) **DICK:** 8" (20cms)

PLACE OF BIRTH: Budapest, Hungary

WHERE DO YOU LIVE NOW?

I live primarily in Budapest, but also maintain an apartment in London and often take my holidays in Thailand.

WHEN AND HOW DID YOU GET STARTED IN THE PORN INDUSTRY?

In '98 a model agent in Budapest was looking for an English translator. It was good money and I always liked porn, so I got in the industry as a translator. In '99 John Rutherford from Falcon came to Hungary to supervise a Falcon International shooting, I was his Hungarian assistant, and I guess he liked me because he offered me a Falcon exclusive model contract. It was an offer I couldn't refuse.

FROM ALL YOUR FILMS, WHAT HAS BEEN YOUR PROUDEST ACHIEVEMENT, BOTH AS AN ACTOR AND DIRECTOR?

As a director, 'Hostile' (the first Olympus movie), I think it's a very rough movie, maybe too much for sensitive people, but I think I could give back to screen the Eli Roth-Hostel feeling very well. I loved the movie but it was too bloody for me, and I tried to replace the blood with sex... and it worked. The locations, the cars, the 'bad guys', the Eastern-European feeling - I tried to follow them. As an actor, Falcon's 'Out of Athens' was 7 years ago, I was a young guy, but I'm still very proud of being a coverman of that mega-production. As a model that was the beginning and the top of my career at the same time. Very funny!

HOW DID YOU GET INTO DIRECTING?

After I left Falcon I already knew that I don't want to be only a model. I can make money with my brain, not just with my dick, so I was looking for a company I could work for as a model and director. I was lucky because in 2002 John Travis and Scott Masters from Studio 2000 offered me that dream job. They were unhappy with their previous Eastern European director, so I got a chance... I think it was a big risk for them. Before my shooting I was sitting beside Mr. Travis for three weeks and he taught me as much as I could learn in three weeks. Fortunately I learn fast.

IS IT DIFFICULT TO ACT AND DIRECT AT THE SAME TIME? HAVING BEEN A MODEL DO YOU HAVE AN ADVANTAGE?

Yes it's very difficult, but it's a big challenge and I love it. First you have to do a big diet before the shooting which makes you more irritable. That's not good, because as a director you have to be calm, always - a golden rule. When you do your scene as a model/director you have to direct yourself. Sometimes I need to watch myself on the monitor during the close-up shots when I'm having sex, and I have to communicate with my crew only with my eyes. Not easy, but I love it and maybe it sounds weird but I can enjoy it. After spending ten years in the industry I can afford to have little perversions I guess. It's a big advantage that I was/am a model, because I know their limits. I know what is in their souls, they look at me as a friend-although I never have problems with respect. I know exactly how to bring out the maximum from them.

WHAT DO YOU LOOK FOR WHEN SELECTING YOUR MODELS? IS THERE A "CASTING COUCH"?

No. Only in my movie I just made entitled 'Casting Couch' for Olympus! Maybe it sounds boring but a professional director never has sex with a model, although I had to break this rule because as a model/director I have to have sex with them... but strictly on screen. I like to serve different demands, but only between the borders of good taste. For example, I don't like to work with very young looking guys, very skinny guys, too girly guys... it's gay porn I want to see MEN, not girls on the screen. And I really mean MEN with all capital letters... you know, the perfect alpha males.

TELL US A BIT ABOUT THE NEW OLYMPUS LINE FROM COLT STUDIO GROUP. WILL IT BE DIFFERENT FROM THE COLT OR BUCKSHOT FILMS THAT WE'RE USED TO?

Yes, we try to mix the Western-European/American stars with the Hungarian/Czech actors, and according to the sales it's a lucky mix! We make high quality, high budget, professional movies - just like other COLT and Buckshot movies in Eastern Europe. And I like rough sex a lot, so I try to make my movies as rough as the laws afford.

Images courtesy Olympus/Colt

HOW DID YOU COME TO WORK FOR COLT STUDIO GROUP?

I've been friends with John Rutherford for 9 years, and last year when my Studio 2000 contract expired he offered me work with them. I was very happy.

WHAT HAVE BEEN YOUR MOST RECENT PROJECTS AND WHAT ARE YOU CURRENTLY WORKING ON?

My new movie 'Casting Couch' just released in the US a few days ago, I like it a lot because we had two great stars, Brad Patton and Brian Hansen, in it. It was an honour directing them. They are very smart, professional people. I'm working on organising the 3rd Olympus movie. We start shooting next week (mid-June) and I will have the most international cast in this movie I've ever had: two guys from the UK, two from Spain, two Czech and five Hungarians.

YOU ALSO PRODUCE PORN. DO YOU EVER DO ALL THREE (ACT, DIRECT, PRODUCE) ALL AT ONCE? WHAT'S THE DIFFERENCE BETWEEN DIRECTING PORN AND PRODUCING PORN?

When you are producing you have to handle the money, so you have to be a bit schizophrenic, because you are the opponent of your creative-director ego. Fortunately my creative part is stronger. As a producer your job is the background organisation before and during the shooting, which can be a huge headache sometimes. Being a producer-director when you are a model is a 2" turn-off. I tried it, it was difficult, but I don't want to do it very often.

IF YOU WEREN'T DOING PORN, WHAT WOULD YOU DO?

I'm a secondary school PE teacher originally, but I wouldn't do that for 400 euros a month. It's a big shame but in Hungary teachers with diplomas are worse paid than chimney sweepers.

YOU'RE ALWAYS A TOP IN FILMS? DO YOU EVER BOTTOM IN PRIVATE? WILL YOU EVER BOTTOM ON FILM?

I love to dominate. Being a bottom wouldn't be so good for my ego. I'm still a virgin, but who knows what the future brings? We live in an ever-changing, wild world... so never say never.

YOU'RE AN "OUT" BISEXUAL. DOES THIS EVER CAUSE A PROBLEM WITH GAYS AND, ALTERNATIVELY, STRAIGHTS? FOR EXAMPLE WITH YOUR STRAIGHT LINE AS ROLAND DANTE?

Never with my straight line. They don't care. But in my private life, very often. Being bisexual is the worst thing in the world. It's a big shame that lots of gay men cannot accept bisexuality, so some of them don't accept me. Should I feel bad because I'm only 50% gay? I don't care, I'm a strong guy, I won't cry. I think I don't have to tell you that in a conservative Eastern-European country they don't tolerate bisexuality either. I'm just laughing at their narrow-minded tiny world. The world is not that black and white and people should accept bisexuality, because there are lots of us.

SO, THE OBVIOUS QUESTION IS: WILL YOU BE PRODUCING, DIRECTING OR STARRING IN A BISEXUAL FILM SOON?

I would love that, because there are no high-quality bisex movies on the market.

WHAT DO YOU DO TO RELAX?

Work out like a maniac, travel a lot, especially to Thailand. Reading good books, riding motorbikes (slowly), doing BBQ parties with my friends, mountain climbing...

YOU'RE ALWAYS IN AMAZING SHAPE. HOW DIFFICULT IS IT TO MAINTAIN YOUR PHYSIQUE?

I've been always doing sports, I love it, so training is a part of my life. I work out 5-6 times a week and I run a lot. Although above 30 your metabolism slows down, so I have to watch my diet besides doing lots of sports.

WHAT ARE YOUR BEST FEATURES?

Persistence, diligence and determination.

FUCK A HOODIE

PRODUCTION: **Triga** • DIRECTED BY: **Jamie Carlyle**

So here's the premise: Hoodies vandalise a local youth club and get nicked. Another group of trouble makers get caught spray-painting local council offices. CCTV operators call the police and they too

are arrested. In a radical new move by the home office to combat this delinquent behaviour the two gangs are taken to an undisclosed location and made to sort each other out!

Skinheads and scallies collide in a spunk-filled snooker room fuck fest in the first scene. Soon trakkies are bulging and footie tops are stripped off as the skinheads get their dicks sucked by cock-hungry chavs. Bent over the snooker table, the council cocksuckers get rammed hard and fast.

In a back alley, two horny rude boys are getting down to some serious cock sucking and fucking. One dirty geezer shoots his big load all over the other's Ben Sherman shirt.

Back in the snooker hall, fags and lagers are put to the side and a

fucking fantastic four-way ensues - deep cocksucking, lots of gob and verbal. Once again the snooker table has different kinds of balls bouncing in the corner pocket. The greedy bottom boy gets fucked rigid by Toby James (see interview on page 14) as he sucks the other two cocks. Soon the action moves to the floor where after another frenetic fuck the insatiable bottom boy gets covered in spunk. Don't give that boy an ASBO,

give him a fucking medal! DVD extras include previews of two new, about-to-be-released films, the first being 'Bouncers'. Ever given the doorman agro on a big night out? Well this guy does and gets fucked senseless by four bouncers. The other is called 'When Saturday Comes' - Real locker room post-match footie action. Fans of footie kit will love this one.

TOP, BOTTOM OR VERSATILE?

Just top only mate. They don't pay me enough to get fucked on camera.

WHICH FILMS HAVE YOU BEEN IN?

I've done quite a bit of work for Englishlads.com and Blakemason.com. My first DVD film was Rude Boyz 7: Football Ladz (out soon) by Eurocreme; then Fuck A Hoodie from Triga; and another sporty rugby film that was filmed in Prague for Eurocreme. But I don't know the title yet or when it'll be released.

HOW DID YOU GET INTO PORN?

You know what it's like mate. I was hard up, needed the cash and some bloke asked me to do some stuff for a website. It was just a bit of wanking, solo stuff, I thought "fuck it!". It's just gone on from there.

SO WOULD YOU CALL YOURSELF A PORN STAR THEN?

Fuck off! Anybody can make porn these days. It don't make you a star.

IS PORN WELL PAID?

Compared to working a 9 to 5, which I hate, then I guess so.

WHAT WAS IT LIKE FILMING FUCK A HOODIE? WAS THE

CHEMISTRY NATURAL?

It was one of the best ones I've done yet. There was no messing around. It was straight down to it and the chemistry with those boys was 100%, no faking. I didn't feel I had to "act" at all. The chemistry speaks for itself. You have to watch it.

WHICH BRITISH PORN STARS DO YOU ADMIRE? IS THERE

ANYONE IN PARTICULAR YOU'D LIKE TO WORK WITH?

I'm not really up on who's who in the British porn scene, but there is a guy called Darren Robbins, he's done a few films for Bulldog [Eurocreme] and Cazzo. For me he's a real sexy, dirty English bloke who does British boys justice. There should be more like him about.

WHO WOULD BE YOUR ULTIMATE THREESOME?

Vinnie Jones and Jason Statham.

WOULD YOU LET THEM FUCK YOU?

Yeah mate, too fucking right. Wouldn't you?

SOME BRITISH PORN IS PRETTY DIRTY. HOW FAR IS TOO

FAR?

Fisting, bareback and shit. There's not enough money on this earth for me to consider that. Fucking rotten!

TRUNKS 3

PRODUCTION: **Hot House** • DIRECTOR: **Steven Scarborough**

Another sizzling, poolside scorcher from AVN Hall of Fame director Steven Scarborough as fans of bronzed sun gods get introduced to a whole new cast, including Hot House Exclusive Francesco D'Macho and porn superstar Josh Weston. This Speedo-clad wet and wild line-up sees the debut performance of HH exclusive Vinnie D'Angelo. D'Macho is oiling himself up in the first scene and soon he reaches for a dildo. He jacks off his thick uncut meat and he eases the toy into his ass. Man mountain Adrian Marquez soon joins the action, deep-throating D'Macho's cock and eating his ass. Flipping Marquez over D'Macho fucks him until they both shoot their loads. In scene two, Cole Ryan is hosing himself down while Trevor Knight and Kevin Armstrong are both working on each other's massive cocks. Ryan joins in and the three take turns eating ass and sucking each others throbbing cocks. Ryan gets spitroasted and Knight and Armstrong both cum. The guys switch with Ryan still in the middle and after some deep fuck and suck action all three guys pump out their loads. R.C. Ryan and Trent Atkins are by the pool talking about sports and stroking their cocks through their trunks. Soon they're showing off their dicks. Atkins drops to his knees

to take R.C. Ryan's fat sausage in him mouth. R.C. reciprocates before shoving his 9+'' into Atkins' tight hole. The fourth scene is a monument to muscled manhood, with Josh Weston grinding his taut ass against Francesco D'Macho's face. They take turns to worship each other's cocks before Weston fucks D'Macho's ass without mercy. They "flip-flop" and D'Macho ploughs into Weston until they pump big loads over Weston's abs. Vinnie D'Angelo and Adriano Marquez wrestle in the pool to catch the attention of Marco Paris. Marco yanks on his thick cock and soon is sucking D'Angelo and Marquez's dick. A mind-blowing ass-eating chain by the pool leads to a fuck frenzy before the three guys jack off, spilling their hot cum.

Oiled up muscles, bulging packages and big muscular butts ready to be fucked in the 100 degree heat! Get ready to sweat with Trunks 3.

RUSH and RELEASE

PRODUCTION: **Falcon** • DIRECTED BY: **Matthew Rush**

Matthew Rush is without doubt one of the biggest names in porn. A Lifetime Falcon Exclusive, he's made a global reputation for himself through films like Taking Flight, Drenched, Cross Country, The Velvet Mafia and Heaven to Hell. 'Rush and Release' hails his directorial debut. For the first time, sex god Rush goes behind the camera, crafting four sizzling scenes that combust with sexual energy and hard ass-pounding action. Falcon exclusives Roman Heart,

Eric Rhodes and Ashton Star are joined by black musclestud Marc Williams, Andrew Justice and Parker Williams, plus newcomers to the Falcon team Max Schutler, Tony Masala and Justin Parker. For each of the four scenes Matthew Rush gives a brief commentary on the scene before the action begins. Max and Andrew kick off the first scene with an intimate bedroom fuck. They caress and explore each other then Max sucks Andrew's big curved cock before getting behind him to tongue-fuck his hole. Andrew rubbers up and fucks Max missionary and doggie before dumping his load on Max's back. Max then brings himself off dumping his load on his abs and chest.

The second scene sees an encounter between Tony Masala and Parker Williams in a graffitied back alley. They kiss wildly, licking each other's pits. Tony then chows down on Parker's ass before Parker deepthroats Tony's dick. Soon Tony's bent over getting pummeled from behind. Roman, Ashton and Justin are all over each other on a leather sofa. Roman and Parker take turns to slurp on Ashton's dick. Roman eats Ashton's ass while Parker tongues his hole. Nicely lubed up, Roman bounces on Parker's cock while Ashton watches and wanks. The final scene has muscle men Eric Rhodes and Marc Williams in a hot, sweaty, pumped-up fuckathon. Marc loosens up Eric's pucker and then Eric takes Marc's dong – and gets a right pounding. We look forward to more from Mr Rush. We just hope he's not giving up being in front of the camera for a while!

Bonus material includes trailers for Basic Plumbing, Longboard, The Farmer's Son, Riding Hard and Dripping Wet.

GRAFFITI

PRODUCTION: **Bel Ami** • DIRECTED BY: **George Duroy**

The boys from Bel Ami get creative with paint, brushes and various parts of their anatomy. As imaginations run wild they put down the brushes and start stroking themselves. Soon an orgy of colour erupts and the guys get busy creating their own sexual masterpieces.

In scene one Josh Elliot, Justin Boyd, Elias Kudrow and Luke Hamill get busy on the sofa after getting creative on the studio wall. Soon the artwork's abandoned and the guys are comparing cocks (see centrefold). Justin Boyd then becomes the meat in a very sexy sandwich and takes each guy in turn until the guys all shoot their loads.

Luke Hamill and Josh Elliot then sneak off for a mutual snog and wank sesh.

In scene three, Hans Klee sucks Kurt Diesel's

beautiful donkey schlong. Diesel cums on Klee's neck. Diesel then sucks Klee who comes over his abs. Klee then takes Diesel's dick until Diesel cums again.

In scene four, Andreas Mouskouri pairs up with Davy Paxton. Both cum after sucking each other's cocks and then Davy fucks Andreas with his long cock until he shoots over Davy's back.

Then Kevin Elola and Luke Hamill get it together while Henri Gaudin gets busy sucking Trevor Yates' big veiny trouser snake. Jerome Reynolds takes over while Gaudin heads off with Paul Valery (QXMen's May coverboy). Reynolds gobbles Yates off, tasting his cum. Yates returns the favour taking Reynolds' cum on his tongue. Gaudin gets a faceful of spunk from Valery who then sucks off Gaudin and snowballs the juice. Meanwhile Reynolds, still hungry for more cock stays on for more sucking and fucking from Valery, who shoots a massive wad.

A top turn-on in glorious technicolour: beautiful boys, beautifully shot.

BIG DICK 2

PRODUCTION: **Falcon Studios** • DIRECTED BY: **Chad Donovan**

What would you give to be a member of this elite club? Well, you'd need around 10 inches just to be considered. Fans of donkey dicked dudes and horse-hung studs will absolutely love this Falcon release. If you liked the first instalment, you'll be reaching for this sequel time and time again. In the first scene Hans Ebson is being fucked by Cort Donovan every which way. He pulls out and dumps a massive gloopy load on Hans' chest and abs. Afterwards as they cuddle on the sofa Hans tells Cort he should check out the Big Dick Club.

In scene two, Jeremy Hall and Jonathan Lowe are getting down to some serious 69-ing and deep rimming action. Jeremy fucks Jonathan energetically. As Jonathan rides Jeremy he bucks and shoots a good load over Jeremy's abs. Hiding behind the door, Cort is watching them. He asks if he's at the BDC as he pulls out his semi-hard cock. They tell him the club's moved location. He saunters off.

Already at the BDC, Marco Hasom is gorging himself on three meaty cocks protruding from glory holes – one of them belonging to uber-hung Malik Sherif (see picture on contents page!). After a hot four-way with both Marco and Marcos David bottoming for CJ Madison and Malik, the guys all shoot over Marco – talk about the cat that gets the cream!

Finally Cort has found the BDC, he shows off his weapon of ass destruction and he's in. The final scene starts with tops Nicolay Petrov and Albert Long, and bottoms Jesse Santana and Luca Alexander, sucking, rimming and fucking. Cort joins in and gets sucked by both bottoms. Cort fucks Jesse and Albert fucks Luca. Jesse then takes both Cort and Albert's dicks at the same time. The cum shots are impressive with a long shot from Petrov, a huge load from Cort and a gusher from Albert. And then Cort comes again!

This DVD has trailers for Basic Plumbing, Longboard, The Farmer's Son, Riding Hard, Dripping Wet and From Top To Bottom – that's a few good tugs just on the trailers!

REVIEW

Welcome to the dirty mind of Tommy Blade. Tommy's had his fair share of cock in his time and as he wakes up in his apartment his mind wanders, thinking about his many sexual partners and their torrid affairs.

The first scene has Trey Casteel and Nick Marino on the couch. Nick drools over Trey's big dick before he bounces his ass down its length. Nick gets fucked over the sofa taking every inch. Nick then takes a turn on Trey's bubble butt and Nick gives as good as he gets while he jerks Trey to a climax.

He tastes the cum off his buddy's abs before showering Trey with his cum. Tommy's going through some old polaroids and he remembers buff, young, tattooed Sebastian. He recalls their encounter: Tommy sucks Sebastian's fat cock before Sebastian returns the favour as he slips a finger into Tommy's eager hole. Tommy opens up for Sebastian's rod. The two bang away until Tommy shoots his wad and Sebastian blows a massive load over Tommy's abs and chest.

Lucas di Fubbiano. JD is helping Ford build his biceps while Lucas is pumping his pecs. Soon weights are discarded and the guys are engaging in a totally different kind of workout.

Still alone in his flat, Tommy comes across a fat dildo. He climbs up onto the kitchen counter and pummels his greedy hole. After he's cum, Tommy pictures Taurus Dean and Adam North. Adam relishes Taurus's forskin just like Taurus worships Adam's big cock head. Adam gets rimmed by Taurus before he pumps Taurus with his rock hard cock.

Carter Longway comes back to the flat and after showering he walks into the kitchen where he drops his towel for Tommy revealing a 10 inch cock. Tommy swallows the 10 inches as Carter moans, replacing the finger in Tommy's butt with his donkey dick. The two guys fuck over the kitchen table until they spray their loads.

In the third scene Tommy's working out on his home gym. Bored, he pictures a hot gym three-way between JD Kollin, Ford Tuff and

A dripping wet, soaking wet, homage to muscled, manly men. Artistically shot in studio-lit blues and blacks, this film boasts the superb cast of Victor Banda, Damien Crosse, Steve Cruz, Francesco Giovanelly, Jeremy Hall, Andrew Justice, Frank Philipp, Eddie Stone, Rocky Torrez and, last, but my no means least, the superlative Francois Sagat (this month's cover star).

In hypnotic, almost dreamlike sequences, different combinations of the cast engage in passionate, explosive, rippling, pumped up man sex. As they do, water rains down on them or the rippling reflections of water are projected behind them. The sweaty sheen mixes with the droplets of water and combined with mesmerising soundtrack, the sex is silent, almost fluid.

caress each other's swimmer's bodies. They suck each other's cocks and then Crosse takes every inch of Hall's rock hard dick.

The third scene is a three-way between Giovanelly, Justice and Philipp. Their tanned bodies contrast with the blue of the denim jeans and blue backdrop as they suck cock and eat ass. Giovanelly then takes the other two in turn until hot spunk rains down on him.

In the final scene, Victor Banda is visited by Eddie Stone. As the rain cascades down outside Banda furiously fucks Stone, swapping positions until finally, as Stone shoots over his abs Banda showers him from above.

DVD extras include behind-the-scenes footage, interviews, photos, cum shot compilation and previews of Boiler, Quest and Breathless.

The opening scene with Sagat and Cruz sees some deep wet kissing before Cruz sinks to his knees to suck on Sagat's thick cock. Muscle mountain Torrez joins in, tongue-fucking Sagat's bubble butt. Sagat then sucks Cruz's cock, before Cruz goes back down on Sagat, coating his dick with thick spit. Sagat and Cruz shoot their loads and then Cruz bends over to take Sagat. Torrez then gets worked over by Sagat and then hairy-chested Cruz, before the guys shoot their loads. Damien Crosse and Jeremy Hall rub their thick cocks through tight trunks as they

A MAN FOR ALL.

SEASONS

FETISHES

Spurt, Buff, Squaddies, Well 'Ard, Trakkies & Trainers, Black & Gay, Club CP... Detention... even a night called Kidnapped! Tied up with twine, beaten on the bottom or bossed around by someone in full army fatigues... Alan Roberts is the man who can make your fantasy a reality.

HOW DID YOU GET INTO CLUB PROMOTING?

For about 20 odd years on and off, I owned a club in the Midlands called the Dungeon Club that was one of the first SM clubs in the country and was around a long time before any other London club. Then after a break I restarted club promoting in London with the SKIN500 event at several locations in London with two other partners. After one of them left the remaining partner and I started up the MA1 Club in Vauxhall. We were also involved with '5 go Sleazy', Squaddies (that we took over) and 'Rough'. After a couple of years I ended up buying out the whole company and after a bitter and contentious court case with a club owner in Vauxhall (that we won) I left that club. As I already had a club night at Central Station and the old 'Sports Bar' was semi-derelict I asked Martin "Can I have the old Sports Bar...?" After a brief pause he said "Yes" and the rest is history!

WHAT WAS YOUR FIRST CLUB NIGHT? HOW DID IT GO?

The first night at the MA1 was called "Spurt" that proved an instant success, it was a club for lads who were bored with the usual club scene and wanted a place where they could have a drink, meet mates and have a wank (or a bit more) without having to shout over music that was louder than a space shuttle taking off.

WHAT ARE YOUR FAVOURITE NIGHTS?

My favourite nights are ClubCP and Buff. You get to see some wonderful backsides and as one has a thing for backsides you can't get better than the Buff nights! As some of you all know I am into very hard S+M and roleplay, usually dressed as a soldier and I'm also into kidnapping, plus a few other things! I only run clubs that I know I can do, there are too many promoters that open up a club with just £ signs in their eyes, you can't do a theme night that you are not into yourself. There are other proposed theme nights coming up but these will be in the press in the future. ▶

HAS THERE BEEN ANY PARTICULAR NIGHT FROM ANY OF YOUR EVENTS THAT WILL REMAIN INDELIBLE IN YOUR MEMORY?

Yes, funny you should mention that. Only the other night at Buff we had a couple of lads from Oz come in and one had the biggest plonka you ever saw. It made me choke so it must have been big! After a quick measure it was 13" long! Also one night after Spurt we did find a cucumber in the dark room... whatever!

HOW DID THE NIGHT 'WELL 'ARD!' COME ABOUT?

Well Ard is for lads into boxing and wrestling, as many of you know I do love a good fight and as I was a boxer in my younger days I wanted to do a boxing night. All those lads in boxing shorts bobbling about... Phwrrrrrr

DO YOU GET MANY BI OR CURIOUS STRAIGHT BLOKES ALONG FOR THE SPURT AND BUFF NIGHTS?

We get a number of strait/bi lads at Spurt and Buff. You know them as they are shit scared and say "You can wank me off but don't touch my arse mate"! I always say a straight man is gay after three pints. Sometimes a mobile will ring in the club and it's the wife or the girlfriend on the other end. We did have one woman come in the club looking for her husband!

SQUADDIES IS AN INCREDIBLY POPULAR NIGHT. DO YOU EVER GET THE REAL MCCOYS TURNING UP FOR A BIT OF CAMO FUN?

Squaddies always gets the lads going, we did have two lads who were genuine soldiers from Catterick and one of my mates who comes is still in the army. We do get some lads who really make the effort and look good but anyone can get the right kit from any old shop! I think also a lot of lads love been ordered around and love uniforms and with army kit costing about £25 its a cheap fetish.

HAS THERE EVER BEEN A NIGHT WHEN YOU'VE SEEN SOMETHING AND GONE, "NO WAY!"?

Once in the old club in Leicester there was one lad who was getting fisted by two lads, imagine my surprise when all four hands were up there!

THE MA1 BAR. WHERE DID THE NAME COME FROM?

MA1 came from the jackets that skinheads wear. As we ran a night for skinheads we needed a name for it quickly so after about ten seconds we thought of MA1 and it stuck ever since.

WHAT ARE YOUR CUSTOMERS GOING TO DO - ESPECIALLY THE NAKED ONES - WHEN THE SMOKING BAN KICKS IN?

We now have a smoking area adjacent to the bar, however this is a shared smoking area with all of Central Station so Buff customers can't go outside for a fag unless they get dressed. Also there is no drinking allowed on the terrace after midnight. We have just completed the rebuilding of the original MA1 Bar with new toilets, coatcheck and changing areas, this was all done to provide a smoking area. Me, Martin and Duncan [the owners of Central Station] work closely together to get best for everyone. How many venues have 3 (soon 4) floors?

WHAT ADVICE WOULD YOU GIVE TO SOMEONE THINKING OF PUTTING ON A FETISH/CRUISE NIGHT

Don't, unless you have 30 hours a day, a good team and venue owners who let you get on with it and pot loads of money for advertising and other expenses.

BESIDES THE ABUNDANCE OF COCK AND ARSE AT YOUR EVENTS, IS IT ALL WORTH IT (PROMOTING) IN THE END?

It is all worth it in the end, it's very gratifying when people come up to you say they had a excellent night out and how attitude free the club is and that's how I want it. Also Martin and Duncan have helped out a lot, without them none of it would be possible. How many club owners let you go in, take over a whole floor, give you another floor and rebuild it for you? I think that says it all.

FUCK HOLES

PRODUCTION: **Treasure Island Media** • DIRECTED BY: **Max Sohl**

Titles from Treasure Island include Slurpin' Jizz, Swallow, Cumsloppy Buttholes, Plowed and Plantin' Seed. You don't have to be a Mensa member to work out that these films are bareback. In fact they go further than just the usual bareback films. Treasure Island's films are renowned for showing insatiable guys that take load after load, either in their mouths or up their butts.

down being serviced and filled by different guys at 20 minute intervals. Two Way Fuck is actually a 3-way that involves two tattooed, incestuous brothers and a big-dicked Puerto Rican. 'Brandon's Party' is a real monthly party held in New York, only this time the cameraman got in to film the no-holds/holes-barred action. This film is literally "pump, dump and go" as hungry bottoms offer up their holes for anonymous marathon sessions. Bonus material on the DVD includes 3 extra sex scenes.

Probably the best known releases from T.I.M. are the Dawson's films: Dawson's 20-Load Weekend and the astonishing Dawson's 50-Load Weekend (parts 1 and 2... Well he did take 50 guys in succession!).

Just to reiterate, Fuckholes features raw sex; that is, sex without a condom. Sex without a condom leads to the spread of HIV and other STDs. Think before you fuck raw.

This DVD features 5 major scenes. The first is 'Fuck Hole' – a butt-banging three way with an eye-popping double penetration scene. The second scene, 'The Night The Lights Went Out', has a guy face down who takes a series of guys (two of them masked to preserve their anonymity). 'Start Of A Cum Dump's Weekend' sees another guy face

recon BOYS ARE A HIT AT I.M.L.

At the end of May the guys from Recon were in Chicago for IML29, the International Mr Leather Contest. Thousands of fetish fans turned up for the event and sexy leather clad guys were everywhere!

The host hotel, The Palmer House Hilton, was THE place to be and over the long Bank Holiday weekend thousands of horny guys roamed through the hotel's lobby and corridors. Rooms were transformed into a veritable fetish wonderland and the atmosphere was so sexually charged you could literally smell the testosterone!

The weekend concluded with the IML Contest, held at the Chicago Theatre. The winner, the sexy and intelligent Mr L.A. Leather, Michael Gerley, walked away with the much-coveted title.

There were a number of parties held over the weekend, but without doubt one of the best was the Recon Gear Party, which was held at the infamous Cell Block Bar in Boystown. Well over a thousand guys turned out in leather, rubber and sports gear – even Spiderman and his dark alter ego swung by!

If you haven't been to an IML event before, next year is the 30th Anniversary, definitely one for the diary.

Hit the spot

with the nexus range of g-spot massagers

Some say that the way to a man's heart is through his stomach. However, at QXMEN, we reckon the way to a man's heart is through his prostate, universally known to be a man's sexual centre, controlling his erections, ejaculation, and orgasms.

The Nexus range of male G-Spot Massagers target this oh-so-important area and can be used solo or with a partner. They're all

designed to give you maximum orgasmic pleasure, tapping into the extreme pleasure zones of the prostate gland, perineum and anal canal.

The range now includes the Glide, the Excel, the Titus and the Vibro, all available in a variety of colours including Panther Black, Sunset Yellow, Racing Green, Deep Purple, Mandarin Orange, Lollipop Pink, Red Cherry and Fluorescent Yellow – so there's one to match any colour scheme!

Image courtesy of Hot House

► NEXUS VIBRO RRP £85

The Nexus Vibro is a multi-talented prostate massager, with ball bearings, a ribbed shaft, plus a motor which will keep you going way past bedtime. As its name suggests, this toy actually vibrates the prostate giving you jaw-dropping, monstrously deep anal orgasms.

◀ NEXUS GLIDE RRP £35

The Nexus Glide is smaller in design and fits easily into tight spaces, therefore, making it perfect for beginners. The ribs add extra sensations and the ball bearing adds to the gliding effect to the perineum - hence the name.

The entire Nexus Range of G-spot massagers is available from stockists such as Prowler and Clone Zone and the official website to the Nexus range, www.pleasure2mc.co.uk. Alternatively, call 0870 343 0192 for discreet ordering.

FUCK A FOOTBALLER? BALLACKS!

Last year when Germany was besieged by World Cup footie madness, sex shop chain Beate Uhse sold two vibrators called Michael B and Olli K, names which some took to be references to Germany's high profile footballers, Michael Ballack and Oliver Khan.

Beate Uhse was subsequently charged by the agents of the players for unauthorised use of the names and the products were removed from sale.

A year later, it's been reported that a court has ordered the company to pay both players 50,000 euros each in compensation. Now where did I put that 9 inch Michael Owen?

MAKE SURE YOUR DRAPES MATCH THE CURTAINS

We all know that men with 'salt and pepper' hair can be very sexy – just take a look at some of the hot Daddies on the scene nowadays. But what can you do when you've taken a bottle of Grecian 2000 to your head and then your pubes don't match? Well, here's the answer, miniKINI Colour, the permanent colour gel for your pubic hair! There's 6 natural colours to choose from; Copper, Red, Dark Blonde, Dark Brown, Golden Blonde and Super Blonde. So, whether you're just going a little grey downstairs and want to take a couple of years off or you've decided to go blonde for the summer and you want to make sure that the 'drapes match the curtains', now you can colour your pubes without the risk of using harsh hair dye. It's easy to use with just a one step process and each pack contains miniKINI Colour Gel, an activator, instruction leaflet and plastic gloves.

And you can colour your pubes with a clear conscience as miniKINI colour is organic and not tested on animal. For more info go to www.minikinicolour.com.

TELL US ABOUT YOUR SEX LIFE! And help THT develop and target its HIV and sexual health promotion work.

Terrence Higgins Trust (THT) and Sigma Research, University of Portsmouth have launched the annual National Gay Men's Sex Survey 'Vital Statistics', together with another survey 'What do you need?' aimed at establishing the health needs of people living with HIV. Last year over 13,000 men in the UK took part in the Gay Men's Sex Survey (GMSS) and it's hoped this year's new survey will also get a huge response. The GMSS includes regular questions about sexual behaviour and HIV testing and questions on drug and alcohol use. 'What do you need?' includes questions on the needs of people with HIV including the health services they use.

Will Nutland, Head of Gay Men's Health Promotion at THT said: "Both of these surveys are vital as they help us develop and target our HIV and sexual health promotion work. We really need both gay men and people living with HIV to get involved. Previous surveys have told us a lot about men's sexual health and this year we're hoping to get more responses than ever."

The surveys can be completed online until the end of August by logging on to www.vitalstatistics.org.uk and www.WhatDoYouNeed.org.uk and

STRIKE A POSE

MIKE ARLEN HAS BEEN SHOOTING MALE NUDES FOR THREE DECADES. QXMEN

CHATS TO THE MAN WHO HAS SNAPPED MORE COCKS THAN YOU'VE HAD HOT DINNERS.

When did you first pick up a camera?

At 14 I was taking fashion shots, working for John Stephen who owned half the shops in Carnaby Street. He liked a feature I had written about the street and knew I was writing about everybody in the top twenty. He knew I could put pop stars in his clothes.

When did you shoot your first male nude and how did it come about?

30 years ago I had taken shots on two bodybuilders in swimwear that appeared in print. A German editor tracked my number down to ask if he could use the pictures and wanted nudes on the guys. I took one of them to a farm to surround him with cows and sheep and holding lambs.

In a lot of your work the guys' cocks are angled towards the floor, held in place by a leg. Why?

For many years the police would confiscate magazines with standing up erections. So I made my models get a prominent semi and learn how to twist it pointed down, so the pressure went against the inside leg.

How do you source your models?

Models come to me from many sources. Collectors of Mike Arlen's Guys often talent scout for me across the country and do test shots on applicants after putting postcards in busy newsagents windows. They tell me it is the best hobby anyone ever had. I pay them a talent-scouting fee if I use anyone they discover. Plus I take ads in many publications.

Are there particular criteria that Mike Arlen's guys have to satisfy before you snap them?

As I am known for finding the most impressive erections in the world, my problem is finding guys who equal models of the past.

What percentage of your models are gay?

Half my models are straight. I couldn't care less what they fancy as I show them sex DVDs to stimulate them.

Personally what kind of guy do you go for and do you ever have sex with your models? Surely you must be tempted?

Tragically less than one per cent of the guys you see in print. As I am a workaholic and not looking for love affairs the occasional straight guy appeals to me who keep telling me most women don't know how to give them an efficient blow job. Most gay men refuse to believe that people who work in chocolate factories rarely eat chocolate. If a large part of your working life is studying erections the novelty quickly goes.

Has the internet affected the demand for your work?

The internet did affect me and sex movies becoming legal to buy in the last ten years, but vast numbers of viewers tell me they get bored watching them after a few times and give them to me to show my models during picture sessions.

From the many, many shoots you have done over the years is there one particular that stands out?

Some of my most popular models have ridiculously disappeared and lost many thousands of pounds in follow up jobs. Pin-up girl photographers have been coming to me for over 20 years asking if they can book my models to combine with their girls. When I have to tell them the guys they are choosing are amongst the 20 per cent who have changed numbers and addresses without telling me they laugh hysterically saying: "20 per cent? 75 per cent of our fucking girls disappear."

When you are not photographing guys with huge erections, do you do any other sort of photography?

Not anymore as I am a show business journalist writing film reviews under various names. In ScotsGay I am Malcolm Epstein who is a friend who likes to see his name in print.

Which other photographers' work do you admire?

Cadinot, when the Pope was a choirboy.

What would you say to those who think your work has a very retro feel to it?

My work has gone through many different phases. I started thinking comedy would be a pleasant change and put comedy characters with my models. It was desperately unpopular and stopped the wanking in Wigan. Then I put models in many memorable backgrounds like buses, trains or the engine rooms of cargo ships. As I listened to vast numbers of letters sent to me I became the only photographer in the world who had used so many uniforms.

What does the future hold for Mike Arlen? Do you have any major projects on the horizon?

I never talk about things I plan as it cuts the luck down - which is why I dare not talk about the next major project.

How can readers of QXMEN get copies of Mike Arlen's Guys?

Email me on mikearlen@bopenworld.com or call me on 0207 373 1107 to hear about my volumes 8 to 15 still in print and to tell me if you have the pluck to face my camera for a few test shots.

COCK BYTES

by Brent Nicholls

Adidas, Nike, Le Coq Sportif, Nu Balance? By now, some of you would be cracking hard ons over the mention of these sporting brands. Like leather, rubber and military, sportswear has become a major fetish. Perhaps that's due to the Chav culture that permeates our club land or the fact that a fat cock looks great swinging, unhindered, underneath a pair of track pants. Whatever the reason, nothing gets some guys off more than a pair of tight shorts on a rugby player, a scally in a jock-strap or fit ladz in footie wear. That's why in this month's Cock Bytes we're slipping off our boots and donning a pair of trainers, trading in the cammos for a pair of trackies and ditching the Prada for the Londsdale.

www.sportslads.com

If you're into sports kit or the sport that goes with it then www.sportslads.com is an online community just for you. Like other sites such as gaydar.co.uk and manhunt.net, www.sportslads.com is a place where you can cruise, chat, check profiles and meet other guys. Unlike these other sites www.sportslads.com is focused on a particular type of guy. Scallies, chavs, athletes or those who get a kick from sportswear will feel right at home on this site. The site is 100% free to join, which gives you a basic membership to post comments, view profiles and upload files.

www.gbboysonline.com

Do you like to watch? Do you like to catch scally lads wrapped in passion as their polyester football shorts rub up against each other revealing burgeoning hard ons underneath? Then www.gbboysonline.com may be worth checking out. Featuring some hot cock action, once you join up you can access triple XXX videos divided into different categories such as straight boys, scallies, gay porn, underwear and scally stories. If you're into socks, then check the video where guys are jerking off with their sports socks on. This is an orgy of lads in sports gear getting and doing it. Also featured are sports such as fighting, ball sports, wrestling and swimming. Members can download videos straight to their computer, view tonnes of photographs, access live cams and join various chat rooms.

www.sockstars.com

For some it's all about what's below the waistline and, when it's your feet, we're talking a whole new deal in size queen. Feet fetishes or feetishes as we like to call them, seem to be a growing 'sport' and on www.sockstars.com they are out in full force to support it. Sockstars is a website dedicated to male socks, trainers and men's bare feet. To become a member of this fetish site is free, and only members can access galleries, upload images and view other members. There is now even free video-cam. Like the website boasts: clean socks, dirty socks, smelly socks, rank trainers, new trainers, bare feet, foot worship even toe sucking. Whatever you're into there is a group on www.sockstars.com for you.

www.isniff.co.uk & www.isneak.co.uk

Still below the ankle, www.isniff.co.uk or www.isneak.co.uk is all about the trainers. This takes the fetish to another extreme and feature only images of trainers, without the men! Talk about obsessive. There are literally thousands of images of trainers on display. You can even join in a trainer auction. For those who like men in their shoes, click on the WET link where you will find images of guys in cammos and trainers sitting in baths full of water. Of course, if trainers don't get you hard, then check out the boots. There are no cock pictures on here... After all, it's all about the shoes!

If you have a website that would be suitable for this page, then please let me know by dropping me an email at brent@brentnicholls.com. Commercial sites, personal homepages, free galleries are all welcome.

Don't like kit? You'll love our site

sportlads

Sportlads.co.uk has over 740 men in soccer kit, rugby gear, speedos, woads, jocks and trackies. If you like kit, you'll love our shorts. If you haven't got a thing for kit, have a look at the men in the free area of our site. You'll recognise a lot of them from other sites like BM and EL. What you might not know is that many of them - like JohnnyD, Kallum, Tim, Matt and Gabriel - work for sportlads before they worked for these other sites. See our newest models on other sites (one day soon) Unlike BM, we can't boast about a cybersocket award, or a boat. And we don't give a shit, coz we never heard of cybersocket and neither have you. What we have got is a lot more models on sportlads. And we charge less than BlankMasonry (£8.50 v £14 for a month's non-recurring membership). And that IS something to boast about. By the way, turning in your shorts saves your keyboard and is a lot hotter than tissues. try it www.sportlads.co.uk

COCK SHOTS

PRODUCTION: **Studio 2000** • DIRECTED BY: **Andre Adair**

REVIEW

Studio 2000 kicks off a brand new series of scintillating skin flicks with two full hours of man-on-man sex featuring Exclusives Brian Bodine and CJ Madison. The ubiquitous Dean Monroe together with Nick Capra, Kamrun, Trevor Knight, Jack London, Jherrad Lopez, Brett Matthews, Adrian Troy and new discovery Daniel complete this stellar line-up.

This all-sex epic opens with Capra and Matthews trading deep blowjob, slathering each other's cocks with spit. Nick then slides his cock into Brett and they hump hungrily.

There then follows a trio of solo wanks, starting with Daniel, a nerdy/cute skaterboi. Daniel wanks himself and then slides a blue dildo into his hole. Kamrun flashes a sly smile at the camera as he explores his taut

body and works himself to climax. Adrian Troy then lets the camera explore every inch of his body before he joins the other guys and they bring themselves off, dumping their loads on each other. Hans Ebson and Jack London explore each other's bodies – Jack's thick meat swings low between his thighs. Hans is quick to savour its flavour and sucks Jack to a stonking hardon, which is soon stuffed in Hans' hole. Brian Bodine and Dean Monroe feature in the stand-out scene. The electricity between them crackles and after passionate kissing Dean sucks down every inch of Brian's rock hard cock. Brian eagerly reciprocates, before Dean tongue fucks him into seventh heaven. Just when Brian can take no more he aggressively drives his cock into Dean as he howls with pleasure. The final scene features CJ Madison, young Jherrad Lopez, horse-hung Trevor Knight and a returning Kamrun. Running through all possible blowjob permutations, Lopez then becomes the centre of attention, slurping on three cocks with gusto. Knight then bangs Lopez before moving onto Kamrun while CJ plows Lopez. Lopez gets showered by three hot, sticky loads before releasing his own massive cum shot.

balls! balls!

balls!

BY DR ALEX VASS

Guys are naturally worried if their balls become sore or they feel a lump. So read and learn about the common medical problems that can affect your balls.

Painful balls

"One day my balls got really sore - I mean seriously sore and swollen. I saw my Doc who got me seen straight away by a sex clinic. I think he saved my balls!"

1: Epididymo-orchitis: Pain and swelling of balls in younger gay men is usually caused by an STI, such as chlamydia or gonorrhoea. In men over 35 it tends to be due to a bladder infection. One of both balls swells along with the epididymis (the tangle of tubes that sits above and behind each ball) and the skin of your scrotum can also look red and feel warm. This condition - called epididymo-orchitis needs urgent medical attention and treatment: visit your GP or a GUM clinic. Some guys leave it too long and end up in hospital for treatment. And some even need surgery to remove the infected testicle.

2: Torsion: A sudden severe pain and swelling in the balls can be due to one becoming twisted, a problem called torsion. This twisting starves the ball of oxygen. This is a medical emergency so get help! You'll need to have a small operation to untwist the ball. If it stays twisted for more than four hours then permanent damage is likely and you'll have to have it removed.

3: Blue balls: The dull pain or mild ache that some guys get when they've spent a long time getting aroused without orgasm is called 'blue balls'. This is because the scrotum can look a little blue because it is starved of fresh blood. It's a problem easily cured - orgasm and the ache will ease immediately!

until it's too late. Having one testicle will still allow you to enjoy a full and active sex life because one ball can supply all the testosterone you need!

Lumps

"I checked out my balls with my boyfriend and the stuff in my sac just feels different to his. My testicles feel okay but in the stuff beside them I can feel a couple of hard lumps the size of peas."

Most guys know to check out their - or their partners - balls from time to time. When having a shower is a good time because the skin of the scrotum is relaxed. Use your thumb and forefinger to feel all around both balls. They should feel smooth and oval shaped. One is usually slightly bigger than the other and tends to hang lower.

1: Varicocele: One of the most common findings when guys examine themselves is a varicocele. This is a swelling of the veins that runs from the top of your testicles into your body. Doctors often describe them as feeling like worms. They usually don't cause any symptoms but some men feel an ache on the affected side.

2: Cysts: Another lump you may feel is an epididymal cyst. These are usually small painless firm lumps in your epididymis. No treatment is needed for these because they are just harmless lumps.

3: Cancer: What most guys fear when they find a lump is that they have ball cancer or testicular cancer. It's the most common cancer in guys aged between 15 and 35 but is cured if it is caught early by having the affected ball removed. So if you think one ball is getting bigger or you feel a lump in one of your balls then see your doctor. You may find this embarrassing but that won't compare to the way you'll feel if you leave it
