# Greetings,

Spring has sprung, (we hope), and so we thought April's issue should embody youth, vigour and frisky fuckers. So, unofficially, this is the "twink" issue. There are interviews with four of Eurocreme's rising stars, the porn reviews feature hot, young guys and Cockbytes describes some great twink sites. But it's not all teenage pricks right through the night. For the sleazy fuckers out there, we've got the low down on the forthcoming SleazyMadrid Party - fetish fiesta! QXMEN also spent a night at Chariots Sauna in Vauxhall (again), where the guys from Manhunt.net were getting hot and sweaty. For the best of British check out the Triga feature - skins, scallies, hoodies, lager louts... a host of filthy fuckers and horny geezers. On a lighter note, we've previewed celebrated director Max Barber's short film VGL-Hung! - Are you really the person your on-line profile describes? And finally, if you still haven't found something to wear on your holidays, check out the sexy swimwear from CloneZone and Prowler.

# Finger on the Triga

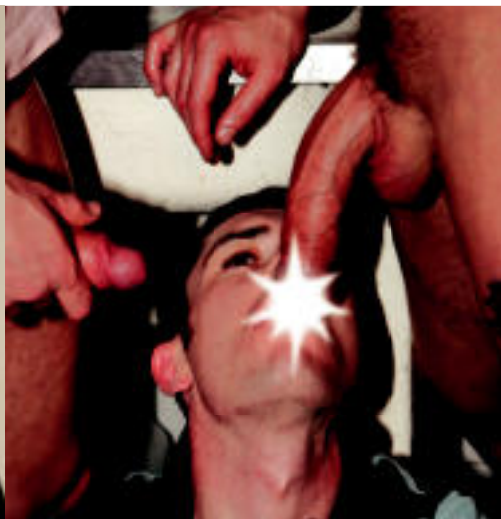

## Get ready to shoot!

Triga started out about five years ago. It wasn't long before then that Zipper/Prowler produced the first UK hardcore film. American porn was, by definition, "American porn", synonymous with bronzed, ham-acting, depilated gym bunnies. Where were the geezers? Where were the lads next door? Where were the rugger buggers and sexy soldiers? Okay, so Cazzo supplied skinhead porn, Euroboy the 'boys' next door... but there was a definite niche crying out to be filled. Enter Triga. With well over forty titles under its belt, Triga delivers raw authenticity to its movies. There's no fancy dialogue, no frou-frou sets and certainly no make artist or stylist standing in the wings. What Triga offers are scenarios that could be happening on that dodgy **council estate**, in the **changing rooms** after **footie practice**, on a **building site**, behind an **army barracks** or maybe in the **fire station** at the end of the road. The plots are hardly contrived - there's no, "I've just come to fix your plumbing. Where shall I put my tool?" - that old chestnut.

Triga titles take in uniforms - Handjob Soldier Boys, **Fireman Wankers**, Barrack Lads, **Military Workout**, Tattooed Marines; skinheads - **Skin Bruv**, Shoplifting Cunt/Skin Head Orgy; Scallies and bad boys - Council Estate Europe, **Cheap White Trash**, Trackie Lads, Bruiser Warren, Danny; It's Hard Up North, Hooligans, **Scallyboy Orgy**; sports kit fetish - Football Orgy, **British Boxers**, British Rugby Studs, Wrestlers, **Fuckin' Footballers**; labourers - British Working Men; straight men - Straight Men Blown, **Cock Sucking Straight Boys**, Straight Marine Boys; and the downright nasty - Dirty Raw Bastards, **Kings of Piss**, British Piss Gang. Oh, and did we mention the surfers, the skaters, the Spanish guys, the bears and the muscle bound Bulgarians?

The way Triga films are shot gives you the feeling you're right there in the room. For example, take **Lager Lout Brits**, one of the latest releases. The DVD features two scenarios. Basically the guys from Triga hang

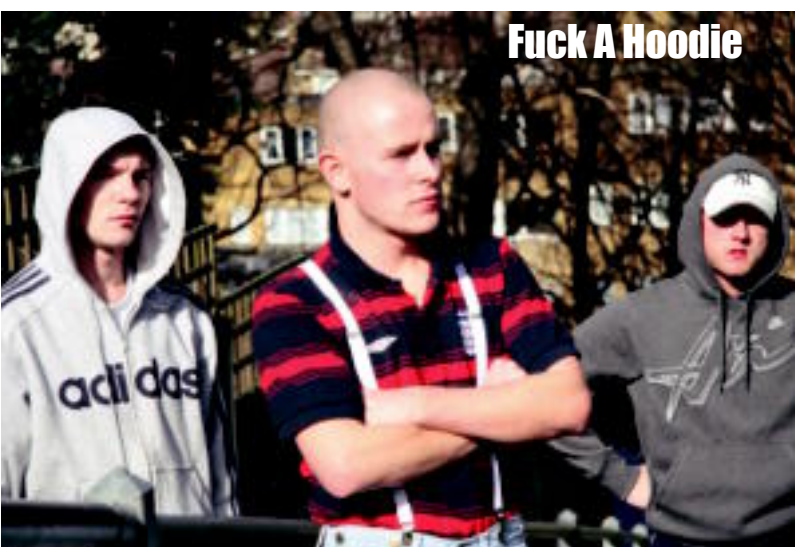

**Louts United**

around the local pubs until they befriended a bunch of straight lads – and got ‘em absolutely bolloxed! (Seriously) They got them all in a flat, stuck on some straight porn, added some more lager... and soon these guys are sneaking off into the bedroom to perform for the camera. Add a few more cans of lager and the guys are all in the lounge with their cocks out – “first one to get hard!” Even two brothers get their cocks out to compare! The second film on the DVD follows three tattooed skins after a heavy session down the pub. They get home get down to a well dirty three-way. Triga undoubtedly produces some of the best skin porn. Another

recent release, **Shoplifting Cunt/Skinhead Orgy** is a must for anyone who gets hard at the thought of a sexy bloke in a Fred Perry shirt with a number one crop, wearing bover boots, braces and bleachers. Again, giving you more for your money, there’s two films on the one DVD. In the first film a scally gets caught stealing CDs. His punishment? The two skins who run the business shut up shop and fuck the scally senseless, forcing their huge cocks down his throat until he gags. After relentless fucking, they switch with one of the skinheads taking his mate’s monster meat. The second film is one of hardest UK skinhead fuckfests you’ll ever

come across. Four sexy blokes all take turns on an insatiable scally. Verbal, gob, piss and unrelenting fucking. Two hours of it! The lager lout theme continues in Triga’s upcoming release **Louts United**. More hardcore fucking with young rude boyz getting their arses stretched by some big skin dicks (see pictures). Also on imminent release is **Suited & Booted**. Sexy guys in suits getting down and dirty right there on the office floor. (again see pictures). And one that we’re desperate to get our hands on is the just-shot **Fuck A Hoodie**. There they are, sitting around, smoking, drinking, swearing, sneering and playing the tough guy. Wouldn’t you like to see them get down to some hardcore fucking? This upcoming release takes the horniest hoodies and captures them in the most awesome scenarios. A full review coming your way soon! In our book, Triga represents the best of British. Real blokes, sexy lads and horny geezers. The sex is real, unrehearsed and absolutely fucking filthy. Don’t it make you proud to be a Brit? Bring it on!

**Visit [www.trigafilms.co.uk](http://www.trigafilms.co.uk) to order the latest Triga DVD titles or watch on your PC or Mac with Triga Instant titles at [www.triga.tv](http://www.triga.tv).**

# PROPER GEEZER!

## QXMEN men shares a few pints with Andrew Smith-Roberts, founder of Triga Films.

### How long has Triga been going?

Me and my mate started Triga about 5 years ago now.

### How did Triga get started?

I was on a bender one night in South London and was introduced to some fella who was also bladdered. We got talking about British films and met up the next day and it took off from there.

### How do you come up with your ideas for new films?

We only ever make films that we want to make. Firstly, we never follow trends or jump on bandwagons set by other studios. We see things that we like and we're interested in and take it from there.

### How do you find your models? Do most of them contact you?

We're quite lucky to be honest. We're approached by most of the fellas in our films directly through our website or on adverts on our films. In the past you'll notice that most of the models you see in other productions started their days in porn with Triga - which is quite an honour!

### Your locations always seem very 'real'. How do you find them?

We film mainly in London and in real locations, although we do use our own studio for films. I do have the gift of the gab at times and do persuade owners of shops, offices, etc, and tell 'em how good their premises will look in the next 'ITV Blockbuster'. Well you've gotta inflate people's egos at times haven't you?

### Firemen, footballers, soldiers... Are any of them the real thing?

You would be surprised! Most of the lads that we get are the real deal! We have filmed blokes who are on their way to 'Soldier's Work' or just back from it! It does make the job worthwhile at times!

### Are all your lads British?

The majority are, but we have worked with lads from Europe in some of our productions.

### Do you have a particular favourite Triga film?

Skin Bruv, which was the first hardcore skinhead film to be produced in the UK for a very long time.

### Which film was the most fun to shoot?

We've just finished Fuck-A-Hoodie, due for release in April which was a laugh! We filmed it locally and the residents really didn't know what had hit them! Also, when we shot Skin Bruv you could see the grannies with Iceland shopping bags crossing the streets in droves as a hoard of skinhead nutters approached them.

### What's been your best selling DVD?

Sclallyboy Orgy, Football Orgy and Skin Bruv are up their at the top!

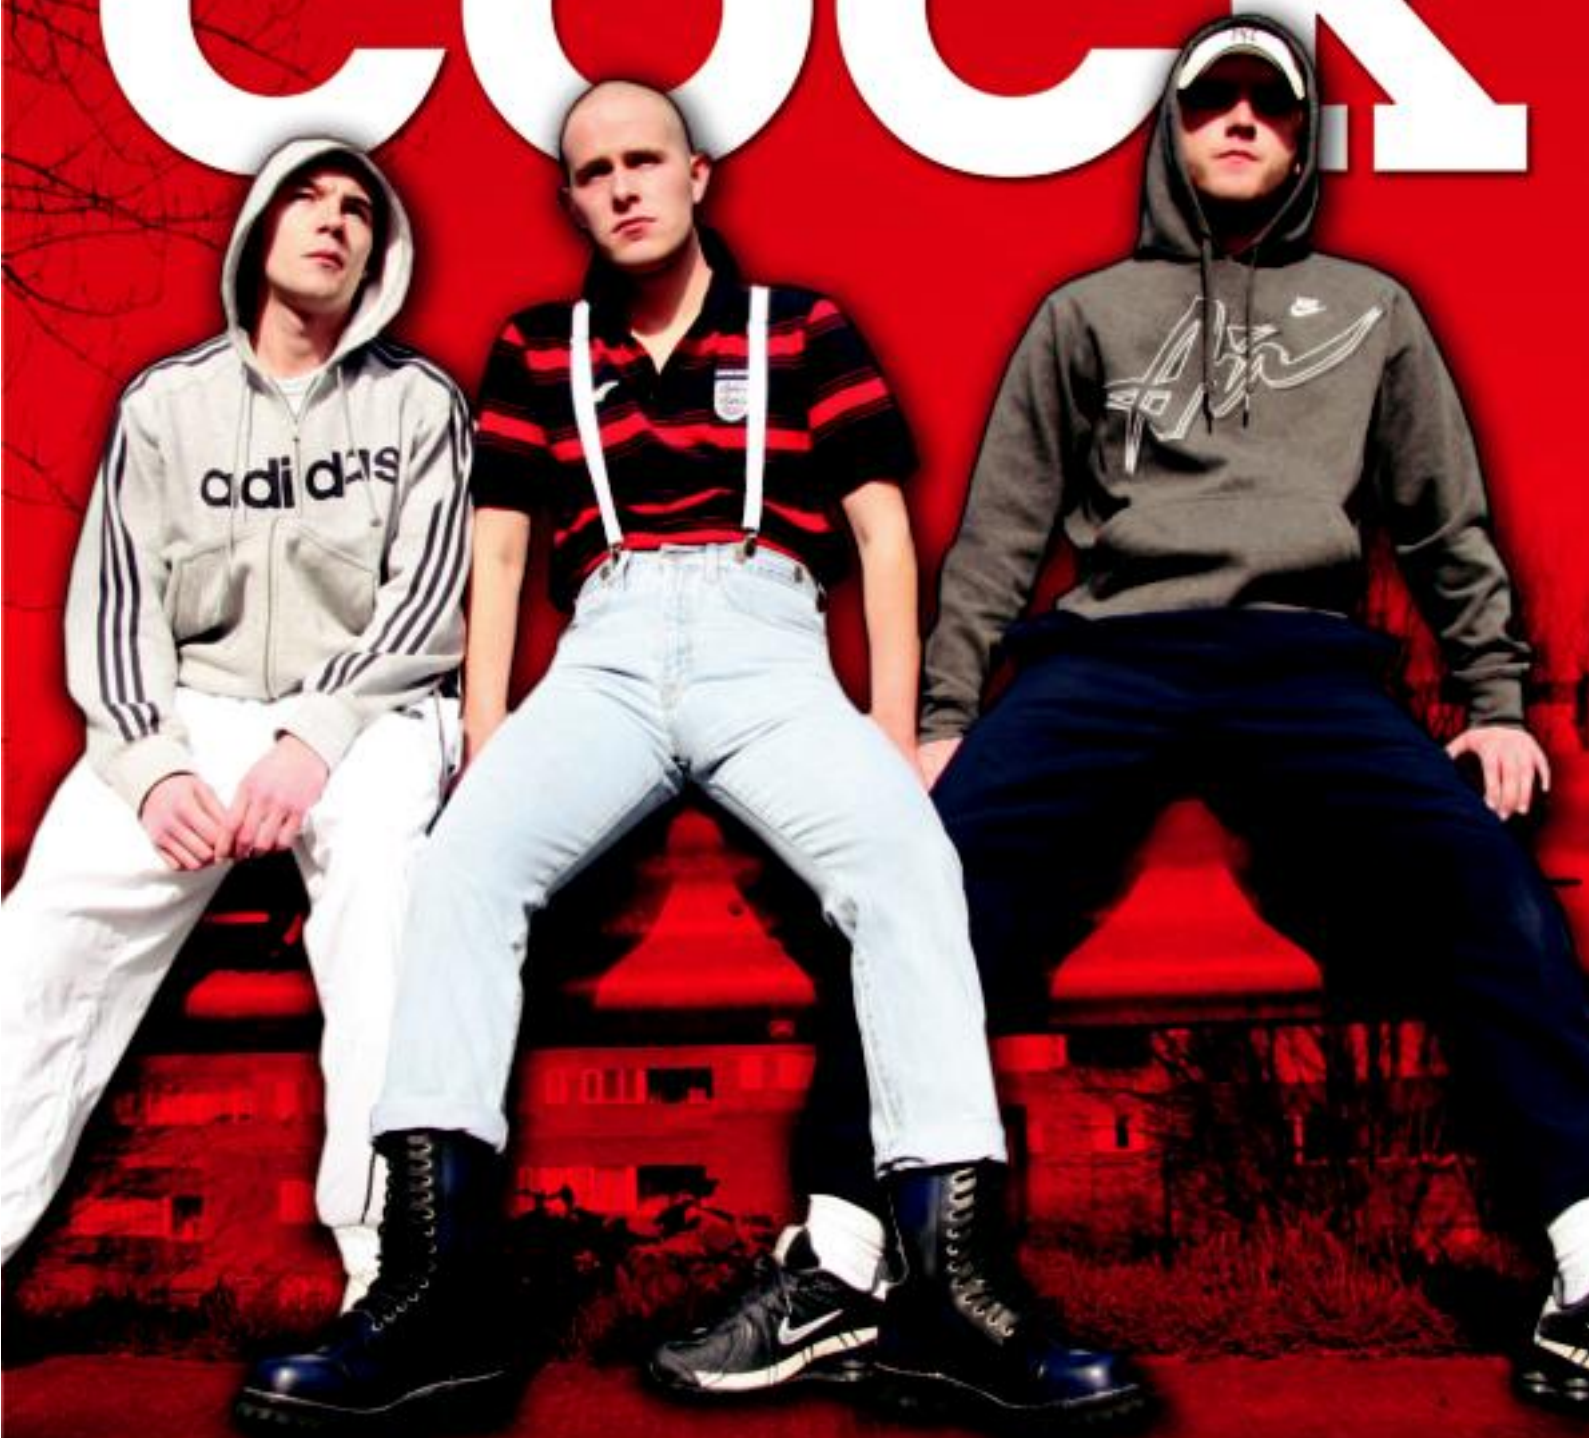

### What can we expect from Triga in the future?

More of the real deal to be honest, but do look out for Fuck-A-Hoodie. Their are more than a few surprises in that one!

SleazyMadrid 2007 is one of Europe's leading gay fetish events held annually over the May Day Bank Holiday weekend in Spain's capital Madrid. It's brought to you by official sponsors [fetishlad.com](http://fetishlad.com) and [flpromotions.co.uk](http://flpromotions.co.uk).

Kicking off on Thursday 26th April with the 'Welcome Fetish Dinner', the event packs in a wide range of fetish parties taking place in clubs and bars throughout the city. With a packed week of sleazy events, two fetish themed parties that come highly recommended are 'Sleazy & Mad' on Saturday 28th and 'Into The Tank' on Monday 30th April. 'Sleazy & Mad', to be held in Strong Center, is billed as the principal fetish encounter for the weekend combining fun, dancing, fetish and sleazy sex all around the club. Performances announced for the night include two of the world's most sleazy porn stars, Eurocreme

exclusive and London's very own Ashley Ryder and USA porn legend Chris Neal who's starred in movies from Raging Stallion, Titan and Treasure Island Media. The venue, Strong Center, is a labyrinth of spaces with many cabins, semi-dark backrooms and video room especially set up with hard porn for the occasion, sling, wet zones with urinals and chill-out zone which will enable revellers to participate and put into practice all of their fetish fantasies. Entrance to this party is 15 euros.

In addition to this party, 'Into The Tank' on Monday 30th April is the other huge fetish party to watch out for. Taking over the massive venue De Nombre Público, this party will be divided into themed zones: a fisting zone, a military zone, two wet zones and a huge butt-naked zone.

Joining Ashley Ryder on the night will be Buck Angel (the

man with the pussy – the USA's top transgender performer) and legendary porn star Mukhtar Safarov (the guy with the monster cock). Entrance to this event is 20 euros.

Both parties have flown in top DJs and, of course, a strict dress code of leather, rubber, military wear, skinhead gear, sports kit, industrial, construction work wear or boots only will be enforced.

QXMEN will be there to report on the twisted fun and filthy games for May's issue, so why not join us!

# VGL-HUNG!

**Max Barber's short film explores the fantasies of life on-line.  
What you see is not necessarily what you get.**

"Sexy, good looking, large uncut..."and with the body of a Greek god. How many times have you checked out an on-line profile only to find Mr Perfect obviously does not comply with advertising standards. From virile Adonis to Mr Middle-Aged-Weeny-Weiner in one short cab ride. Disappointed, again?

VGL-Hung! is a short drama/comedy that examines the duality of who people are in real life versus their fabricated personas on-line. It was commissioned after prolific producer and director, Max Barber, was asked by Eurocreme to shoot a documentary to dispel some of the misconceptions about the porn industry. 'The Seven Secrets to Perfect Porn', initially intended as a DVD extra, became a surprise hit at international film festivals. VGL-Hung! made its debut at this year's London Lesbian and Gay Film Festival in March.

Utilising Eurocreme's stable of performers and production infrastructure, VGL-Hung! is the studio's fist movie spin-off. Writer Hugo Eyre-Varnier, a journalist and writer for TV, co-wrote and co-produced

VGL-Hung! with Max. Script Editor, Simon Harper (who has worked on drama with Channel Four and the BBC) and Los Angeles Film School graduate Logan Paul Fraser (editor) were also involved.

The central character is Terry, an average guy who's desperate to find love, but on a body and looks-obsessed London gay scene, he's barely noticed. Coming home alone after another soul-destroying night of clubbing, Terry logs on and trawls the various pick-up sites. Timewasters and wierdos cause Terry to almost give up on ever meeting Mr Right (or Mr Right Now), until a magic website promises him otherwise. Given the power to change his body and looks to anything he desires by this internet fairy godmother, Terry embarks on a string of sexual encounters in his quest for the perfect guy, only to find out the hard way that beauty really is only skin deep.

**VGL-Hung! will be released through Eurocreme later this Spring/ Summer.**

# MANLY HEAT SCORCHED

PRODUCTION: **Buckshot/Colt** • DIRECTED BY: **Kristopher Weston**  
RUNNING TIME: **100mins**

The first of a two disc set, *Scorched* is hot, intense and tribal, set against a hypnotic musical score. The second, *Quenched*, in contrast, is cool, refreshing and fun.

*Scorched* is set against a rugged, arid backdrop and casts the scintillating line up of Josh Weston, Antton Harri, Jeremy Jordan, Simon Angel, Niko, Jason Hawke, Niko Reeves and Jesse Balboa, who pair up for some sizzling scenarios. The emphasis here is on the primitive and passionate. The first scene sees Weston and Harri against an sculptural landscape. Harri buries his face in Weston's rock hard ass before pounding his hole. Then Weston takes his turn, topping Harri on the ground until they both shoot, Weston drenching Harri's face and torso.

In the middle of a field Jordan and Angel playfully flirt with each other before Jordan goes down on Angel's huge uncut Latin cock. Angel teases Jordan's crack and then slowly plows him, allowing Jordan to switch positions until he gushes cum.

Harri is back for the third scene with Niko, and stops hiking down a rocky mountainside to be serviced by Harri, who can't take his eyes of Niko's amazing pecs. Harri cums as he worships Niko's cock, who in turn looks down as he sprays the adoring Harri.

Niko comes across Niko Reeves in the fourth scene - he's practicing yoga. He stops to be massaged by Reeves who worships Niko's body and picks up where Harri left off. He gives himself up to the rugged Niko who drives into him until he explodes all over Reeves' ass.

In the final scene, dark and hairy Latino Balboa and smooth hunky Hawke are gathering wood (prepare for an obvious pun) - soon they've both got wood. The chemistry in this scene is incredible, and the intensity of the fucking is off the scale.

Both *Scorched* and *Quenched* have DVD extras that include a behind the scenes featurettes, slide show and trailers.

## MANLY HEAT QUENCHED

PRODUCTION: **Buckshot/Colt** • DIRECTED BY: **Kristopher Weston**  
 RUNNING TIME: **100mins**

Quenched is the second part of Buckshot's epic two-disc set. In total contrast to Scorched, Quenched is a sensuous wet dream shot on this idyllic lost lake in Utah. Again, Director Kristopher Weston has gathered an incredible cast of tanned, buffed fuck gods: Brian Hansen, Brad Patton, Joey Jordan, Matt Cole, Corbin Michaels, Colby Taylor and newbie, Jherrad Lopez. The first scene has Brad "the rhino" Patton and Jordan in a Jacuzzi on a luxurious houseboat. Soon Paton is teasing Jordan's cute ring with his massive meat. Jordan takes Patton slowly and intimately, building to a geyser of climax.

Cole and Hansen are bathing in the lake. Finding a rock that juts above the surface they start to kiss and explore each other's bodies. Hansen offers his bubble butt to Cole, who pounds Hansen against the rock. Hansen covers his torso with cum, before Cole pulls out and drenches him.

Back on the houseboat Matt Cole is showering. His tall, chiselled body catches the eye of Lopez, who can't resist but offer to join Cole and lather

him up. Soap, saliva and pre-cum speed them towards their orgasms as they jack off together.

Lopez and Michaels are making out in the main room on a luxury boat behind Captain Colby Taylor. Soon Michaels pulls off Lopez's pant and is feasting on his cock. Then Lopez returns the favour, drooling over Michael's gorgeous hung dick. Captain Colby pulls his massive meat out and start wanking as he watches Michaels fuck Lopez - (you are meant to be driving the boat, Captain!).

The final scene has Patton and Hansen fucking on the back of a speedboat. With their bronzed skin glistening in the sun as they skim across the azure lake, it's the ultimate fast and furious fuck. Hansen takes Patton's monster dick until his nuts climb up and he blows his load over his abs and Patton sprays his chest with thick cum.

This is al fresco fucking at its best. Beautifully shot and superbly cast.

Available from Clone Zone  
stores nationwide.

# PRIVATE LOWLIFE

PRODUCTION: **Hot House** • DIRECTED BY: **Michael Clift** • RUNNING TIME: **150mins**

Once again Hot House have produced a film of incredible calibre. They scored a perfect 10 with Justice and it looks like they're set for a repeat performance. For his directorial debut

for Hot House, Michael Clift has enlisted the crème de la crème of Hot House including exclusives Francesco D'Macho (last issue's cover star), Alex Collack, "pig bottom" Kent North, Enzo Grimaldi and Kirk Ziegler. Marc Williams (last issue's centrefold), Arpad Miklos, Nick Horn, Kyle Lewis, Ken Browning and Scott Swan complete this stellar cast.

In the first scene D'Macho is on his knees having been ordered by the Drill Sergeant to clean up the office. While he's down there Private Cole pulls out his long cock. Loosening Cole's hole with a good rimming, D'Macho then pummels Cole until Cole decides he wants a turn at top dog and drills D'Macho until they shoot.

In the second scene Williams has North sucking on his horse dick while Private Lewis chows down on Private Horn's thick cock. Soon Lewis is on his back taking Williams' monster meat while North takes Horn up to the hilt. The tops swap bottoms until finally Lewis gets three loads sprayed over his abs.

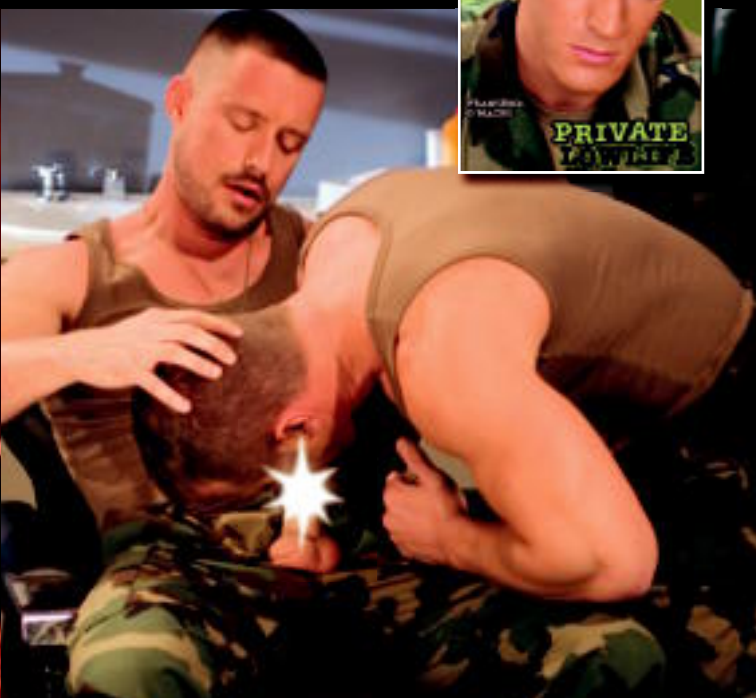

Grimaldi's on latrine duty in the third scene, on his knees scrubbing the floor. Soon he's spreadeagle over the urinal with Private Swan's tongue deep in his ass. They fuck right there on the toilet floor.

A real man's man, Private Miklos is wanking off to a "girlie" mag. Soon D'Macho and Browning are taking turns, getting their asses pumped by Miklos' prestigious meat. Then D'Macho screws the bejesus out Browning as Miklos feeds his face. A great scene!

Finally barber Kent North excuses himself to take a piss, leaving Ziegler stroking his fat cock in the barber's chair. Private Collack walks in and like every good soldier he's willing to lend a helping hand (and mouth and ass) to his brother in arms.

If you've ever fantasised about being buggered in a barracks, this is most certainly the film for you. Hot soldier action from Hot House. If the army's like this, bring back conscription!

# BANG THAT ASS

PRODUCTION: **Raging Stallion Studios**

**www.monsterbang.com**

DIRECTED BY: **Michael Brandon**

Max Schutler and Tyler Dawson are throwing a house party in their back garden. Now take a good look at the guys with their clothes on as from here

on in, everyone stays butt naked and bangs ass. In every possible combination, permutation and variation, these guys bang and bang and bang.

Slipping away from their guests to try out a massive dildo, Max is on his back over a kitchen counter as Tyler slides the huge toy in up to the hilt. Switch to blond Carter Longway, who's got a pretty impressive dick on him. He's on his knees being face fucked by Tim Kruger's massive schlong. Enter C.J. Knight, a muscled blond who also loves to deepthroat huge dicks. Carter gets his dick sucked by Carter as Tim plays with his nipples. Tattooed Alex Tyler then joins in, as Carter swallows his curved cock with gusto. C.J.'s already on his knees taking Tim's huge meat. RSS Exclusive Marcos David then joins the foray - Alexy's on him in a heartbeat. C.J. ends up getting smothered in cum. Back in the kitchen Max is being given a good seeing to by Marcos, fucking him without mercy. Marcos pulls out and cums all over Max's pecs as he jerks on his cock.

Marcos then fucks Carter (are you keeping up here?), who sits on this Latin daddy and rides him like a bronco. The scene morphs to Alexy

sitting on Marcos's dick. Marcos pumps his load onto Alexy's chest. Enter Tim and his donkey dong and Alexy chows down. Tim gets more head from Carter, and then they switch. Alexy is then fucking C.J. as he sucks on Tim. Then C.J. then gets fucked by Tim and he sucks Alexy. The tops cum on C.J who gets himself off. Still horny, Carter and C.J. hook up in the bathroom with Tyler. Tyler rims Carter and C.J. sucks dick. Carter fucks C.J., then

Carter fuck Tyler, during which Tyler shoots and leaves. The two remaining guys jerk off in the tub. Tim is now fucking Max (come on, keep up! almost there) it's the finale. Max, inexhaustible to the last, takes it missionary style until they both shoot their loads. Phew! We highly recommend this DVD - an asset to any porn aficionado's collection.

PRODUCTION: **Raging Stallion Studios**  
DIRECTED BY: **Collin O'Neal**

You can't help but envy Collin O'Neal. His previous travels have seen him meet, fuck and film some of the hottest men. First in Lebanon, which confirmed O'Neal's credibility as a director and producer, as well as a global name in gay porn. Next stop, London, where O'Neal shot and sampled some of the hottest man meat in the capital. In this next instalment of gay globetrotting he stops off at Sao Paulo, the sprawling South American metropolis, Rio and then the breathtaking waterfalls of Iguacu. Capturing the raw sensuality of

Brazilian men in his own inimitable style, O'Neal shoots some amazing pairings. Junior Panavelo and Andre Santos are undressing in a gym locker room. You can feel the energy between them. Soon they are all over each other. In a local café, Alexandre Senna and Renzo Dicaprio joke and banter before getting down to some serious man-on-man action, right there on the café counter! The threesome with O'Neal,

David and Tiago is raw and energetic. But it's the final bedroom scene with Daniel Marvin and Pedro Andreas that really stands out. There's chemistry and passion that sets the screen on fire. Hot! O'Neal has already proved he is a first class fucker, now with the third in his 'World Of Men' series under his belt, he's proven himself a first class director and producer.

# FOOTBALL FUCK

PRODUCTION: **Euroboy Sport** • DIRECTED BY: **Monaco**

If you love guys in footie kit and all the possible sexy scenarios that go with the beautiful game, this film is one for you.

It's the semi final of the big match and the action starts on the pitch (surprisingly all these guys can actually kick a ball). Later in the locker room one of the losing team stays behind. Soon he's bent over getting fucked from behind by a member of the winning team.

In the massage room a player injured during the game is getting a rub down. Hands move from thighs to cock and soon that strained muscle is long forgotten about as the injured player forces the masseur's thick cock down his throat. The masseur then flips over to receive a good pummelling.

On the benches in the gym a threeway is already in action. After all possible combinations of sucking and fucking the smaller guy ends up in the middle, fucking and getting fucked. They all shoot big thick loads of gooey cum and

collapse, exhausted.

Even the referee's getting his ass filled! Having given the eye to his favourite player during the game, the two have met up for some serious off the pitch action. Is it the ref's first time? It looks like it as he winces as he takes a full length. Even though he's on the receiving end, he keeps his shirt on all the same just to remind us who's boss.

The final scene takes place back in the locker room where the cleaner is tidying up sweaty jocks, socks and trainers from the floor. He starts sniffing the dirty socks and jocks and is soon rock hard. Caught in the act by one of the players, he panics. But soon he's getting his ass tongued before being impaled against the lockers. The camera pans out after he's cum to find it was all a fantasy: he's there on the floor with the damp jockstrap in his hand.

The film ends with the ref receiving a secret note promising a huge orgy if he helps one team win. What will the ref do? Football Fuck 2 is out soon... DVD extras include a cumshot compilation and a trailer for Soccer Lads.

# Barebacking SCALLIES

PRODUCTION: **Barebackboys**  
 DIRECTED BY: **Rufus Ffoulkes**  
 RUNNING TIME: **101mins**

Will Forbes, Dave Heydon, Kyle Martin, Alex Russian, Joshua, Cartier, Scott Davies and Rico Knight may not be names that are instantly recognisable. But that's just it, Barebacking Scallies is that ultimate boy-next-door fantasy. You're a fly on the wall and you get to watch local scally lads as they suck and fuck each other. Imagine the scene, it's a quiet afternoon, these barely legal lads have bunked off work experience on the YTS. Slipping off to this secret fuckspot they strip out off the standard Matalan uniform of trakkies, trainers and hoodies and fuck each other senseless on an old sofa or disused mattress.

Shot in what looks like an empty garage or storage space, this film is at the opposite end of the porn spectrum to those high budget productions with intricate plot, dialogue and a glittering cast of extras. But then porn is fantasy, and while some may dream of being cast away on a desert island with half a dozen bleached blonde

Falcon muscle studs, another's fantasy might be being fucked over a beer barrel by local barboy in a run down backstreet boozer. To each his own, horses for courses.

It is because of the huge variety of porn available that it really is possible to find exactly what you lust after. The description is obviously in the title and Barebacking Scallies contains lots of unprotected sex. So we'll remind you once more that unprotected sex leads to the spread of HIV and STDs, so think before you fuck raw.

# CREAM OF THE CROP!

**QXMEN gets up close and personal with four of Eurocreme's rising stars.**

## ANTHONY THOMAS

**DOB:** 27/02/1986

**HEIGHT:** 5.11

**DICK SIZE:** 7"

**PLACE OF BIRTH:** Lichfield

**WHERE DO YOU LIVE NOW?** Birmingham

**HOW DID YOU GET INTO PORN?** My boyfriend was in the industry already and he asked me to do a few scenes with him. It was really horny watching it back so we did more and more! Eventually Eurocreme approached me and I just couldn't say no. From then on I haven't stopped and don't plan to!

**WHICH FILMS HAVE YOU BEEN IN?** Rudeboiz 5 - Council trash, Garson dans la Foret, Hung!, Borstal Boy.

**WHAT'S YOUR SEXUAL PREFERENCE?** Bottom, rarely versatile.

**WHAT'S BEEN YOUR BEST SEX ON CAMERA?**

It was a threesome with two big older guys in Hung! They both had huge cocks and loved to fuck - even off camera they were horny. I'd never left a scene that satisfied. I still have random moments where I think about how good it was.

**HOW DOES YOUR BOYFRIEND FEEL ABOUT YOU DOING PORN?**

He's totally fine with it, as I'm fine with him doing it too. It's a weird set-up but it can work if you love each other enough.

**DO YOU GET RECOGNISED FROM YOUR FILMS?**

As of yet no, but I bet it'd be different if I lived in London.

**HAVE YOU EVER DRESSED UP FOR SEX OR DONE ROLEPLAY?**

I used to do the whole sex slave / domination situation with my ex-boyfriend. It was a huge turn on and something that I'd advise anyone to try!

**WHAT KIND OF GUY REALLY TURNS YOU ON?**

I'm totally a face person -

beard or facial hair is a bonus. They've also got to have a nice throbbing cock. Nothing turns me on more than a big cock.

**IF YOU DO BAREBACK, HOW OFTEN DO YOU GET TESTED?** Only with my boyfriend so it's really safe. I get tested every few months though. You can't be too safe in today's world.

**DO YOU THINK IT IS IMPORTANT TO GET TESTED REGULARLY?** Totally, nothing should be more important in the industry.

**WHAT'S THE BIGGEST DICK YOU'VE TAKEN?** I've done more huge dicks than I have had average or small. My boyfriend's about 9", my ex was the same and pretty much 80% of the guys I've done scenes with have had big, big cocks, so I'm used to it. Being fucked by a 9"+ is quite an experience even after doing it day in day out year after year!

**WHAT'S YOUR BEST FEATURE?** I would have to say my teeth, I've endured a year's worth of brace work!

**WHAT'S THE ONE THING ABOUT YOU THAT YOU WISHED PEOPLE KNEW?** I train dogs, I'm a total hardass when it comes to training. Something like that, something non-sexual!

**TELL US ABOUT YOUR TATTOO.** Tekken, the Playstation game by Namco, has a character called Jin Kazama. He has a tribal tattoo on the top of his arm around his shoulder. I went to an artist and asked them to add a red mirror image into it. After a few hours it was done and I've loved it ever since. My dad paid for it and insisted I had one done for my 18th. I guess I'm one of those lucky people who has open-minded parents.

**DO YOUR PARENTS KNOW YOU DO PORN?**

They think I do gay modelling. They don't ask to know more and I don't tell.

**DO YOU EVER HAVE A PROBLEM GETTING HARD FOR THE CAMERA?**

When we were filming in France, it was boiling, there were bugs crawling around me and flies near my face. I couldn't concentrate on the cock around me.

**WHAT WON'T YOU DO IN A PORN FILM?**

Unprotected sex, nothing's worth the risk.

# STEVEN PRIOR

**DOB:** 04/06/1987

**HEIGHT:** 5'10

**DICK SIZE:** 9.5"

**WHERE DO YOU LIVE?** Leicester

**WHICH FILMS HAVE YOU BEEN IN?** Rudeboiz 6, Borstal Boy

**WHAT'S YOUR SEXUAL PREFERENCE?** Versatile.

**WHAT WAS YOUR FIRST SEXUAL EXPERIENCE?** I was 15 in the showers after cricket training and was left in there with another lad. He started playing with his cock so I joined in. We were both wanking for a while 'til I went over and gave him a hand!

**HOW DID YOU GET INTO PORN?** Through some friends that did it. They said I should give it a go and to be honest I didn't need a lot of convincing!

**WHAT'S IT LIKE WATCHING YOURSELF ON FILM?** It's weird. Its not that I'm having sex it's just I always pick fault with the way I look! I always descend into fits of the giggles watching myself!

**WHAT ADVICE WOULD YOU HAVE FOR ANY YOUNG GUYS THINKING OF GETTING INTO THE PORN BUSINESS?** Talk to someone that's done it. They'll tell you what you want to know.

**WHAT'S YOUR ULTIMATE SEXUAL FANTASY?** Tricky! But the locker room and the sports team is up there with them!

**WHAT'S YOUR DAY JOB?** Student and theatrical special effects engineer.

**DO YOU THINK IT IS IMPORTANT TO GET TESTED FOR HIV AND STDS REGULARLY?** Very much so.

**WHAT'S YOUR FAVOURITE PORN FILM OF ALL TIME?** I don't watch porn as much as I did before I'd done it, but I still really like Skater Boy.

**DO YOU THINK YOUNG GUYS ARE EASILY INFLUENCED BY WHAT THEY SEE IN VIDEOS?** I don't think so. At the end of the day it's just fantasy.

**WHAT'S THE MOST SENSITIVE SPOT ON YOUR BODY?** Under my balls or behind me ears!

**WHAT'S THE ONE THING ABOUT YOU THAT YOU WISHED PEOPLE KNEW?** That I'm not anorexic! I'm fed up of people asking if I am! I just have a condition which makes it hard to put weight on.

**WHAT'S THE MOST GUYS YOU'VE HAD SEX WITH AT THE SAME TIME?** Well I'll say more than 5 and leave it at that!

**HAVE YOU EVER TRIED TO SUCK YOUR OWN DICK?** Yup. Mind you I do have a bit of an advantage there!

**DO YOU OWN A DILDO?** Yeah I do. It's only a lil' 6" thing though!

**WHAT WON'T YOU DO IN A PORN FILM?** Anything painful!

**SEX IN BED OR OUTSIDE?** Well some of the best sex I've had was half way up a mountain in Wales - we couldn't resist! Hot guy with a great view, it was so horny!

**WHAT'S YOUR FAVOURITE POSITION?** Ride me cowboy!

**WHICH OTHER PORNSTARS DO YOU ADMIRE?** Well when I was younger I had a bit of a thing for Matt Rush - still think he's great.

**HAVE YOU MADE GOOD FRIENDS THROUGH THE PORN INDUSTRY AND IS IT DIFFICULT KEEPING IN CONTACT WITH THEM?** Yeah made a few mates and mostly keep in contact through email

**WHAT DO YOU DO TO RELAX?** In a perfect world: Cuppa tea, cricket match on the telly, and a nice guy to cuddle up to. But normally it's the pub with me mates!

**WHERE DO YOU SEE YOURSELF IN FIVE YEARS?** Sky's the limit!

Steven Prior (left) with Ashley Ryder in Rudeboiz 6.

# DOMINIK

# TROJAN

**NAME:** Dominik Trojan (aka Eugene Procci in earlier movies)

**DOB:** 2nd July 1986

**HEIGHT:** 5' 10

**DICK SIZE:** 7.5"

**WHERE ARE YOU FROM?** Czech Republic

**WHICH FILMS HAVE YOU BEEN IN?** I've been in a lot for Eurocreme - Bareback Barrack Cumfest, Summer Sex Camp, Factory Fuckfest, Bare Shooters and Raw Heroes.

**WHAT'S YOUR SEXUAL PREFERENCE?** I'm fairly versatile, but like to bottom.

**WHAT WAS YOUR FIRST SEXUAL EXPERIENCE?** I had sex with a couple of girls when I was younger and then messed around with my best friend and there was no looking back.

**HOW DID YOU GET INTO PORN?** I was spotted in a bar by a director who offered me work. I wasn't employed, so it was very tempting.

**WHAT'S IT LIKE WATCHING YOURSELF ON FILM?** It's like seeing yourself in photos, you're always very self-critical. I keep thinking "that's not sexy", and that I look like an idiot. I try not to watch the scenes I'm in.

**WHAT ADVICE WOULD YOU HAVE FOR ANY YOUNG GUYS**

**THINKING OF GETTING INTO THE PORN BUSINESS?**

Keep your wits about you and try to work with people you've heard of, or your friends know. Don't do anything you don't want to.

**IS IT DIFFICULT TO PERFORM ON**

**CUE FOR THE CAMERA?** Yeah it can be, but it gets easier each time!

**WHAT'S YOUR ULTIMATE SEXUAL FANTASY?** I'd like to have a group orgy scene with 7 or 8 guys. Those kind of scenes don't come around too often.

**DO YOU GET RECOGNISED FROM YOUR FILMS?** No, but one day I hope to.

**DO YOU HAVE A BOYFRIEND?** I don't. I'm too busy fucking guys on camera!

**WHAT FUTURE PROJECTS DO YOU HAVE COMING UP?**

I've got a lot of movies coming out in the next couple of months because I filmed a lot of them back to back. So I am sure that people will be sick of me soon. I hope to get more well known and travel a bit maybe.

**IF YOU DO BAREBACK, HOW OFTEN DO YOU GET**

**TESTED?** I do bareback. But there's no pressure to really [to do bareback], as some scenes are shot using condoms. I have health scans all the time and I know the studios encourage the models they use to be tested and to be HIV negative.

**DO YOU THINK IT IS IMPORTANT TO GET TESTED**

**REGULARLY?** Yes, if you're having lots of partners, it's only responsible.

**IS PORN WELL PAID?** It is if you make a lot of it. I have made loads of money in the last three months.

**WHAT'S THE ONE THING ABOUT YOU THAT YOU WISHED**

**PEOPLE KNEW?** I am a romantic, and although I enjoy porn a lot, I would give it all up if I met the right man.

**DO LIKE AL FRESCO SEX?** I like the thrill of being outside, but not the lack of comfort. I like sheets and a pillow.

**WHICH OTHER PORNSTARS DO YOU ADMIRE?** I admire

Cameron Jackson for making a big career out of movies and I admire Johan Volny (another Eurocreme exclusive) for looking like he enjoys it so much.

**LENGTH OR GIRTH?** I'd say thickness is better than length.

**WHAT DO YOU DO WHEN NOT DOING PORN?** I study and work part time in a bar.

**HAS YOUR VIEW OF SEX CHANGED SINCE YOU DID**

**PORN?** No. I've done a lot and I'm quite liberal anyway.

**WHERE DO YOU SEE YOURSELF IN FIVE YEARS?**

Settled down with a guy and running my own business hopefully.

# GEORGE

# BASTEN

**DOB:** 17 August 1986

**HEIGHT:** 5' 8

**DICK SIZE:** 8.5"

**WHERE DO YOU LIVE?** Czech Republic

**WHICH FILMS HAVE YOU BEEN IN?** Wet Dreams and Bare Shooters. I'm currently filming another.

**WHAT'S YOUR SEXUAL PREFERENCE?** I'm a top, but will probably bottom in the future. It is better to be versatile in movies, you get more work.

**WHAT WAS YOUR FIRST SEXUAL EXPERIENCE?** My first sex was with a girl from school. My first gay experience was with her brother (haha). But a little while afterwards.

**WHAT'S BEEN YOUR BEST SEX ON CAMERA?** I had a great threeway scene with Thomas (Dyk) and George (Plozen) in Bare Shooters. They are both very nice guys and very funny to be with. Thomas in particular gets the giggles and we had to stop the shoot lots of times.

**HOW DID YOU GET INTO PORN?** I had worked for other companies for a while and then did a Eurocreme film. They liked me and put me on a contract. Now I only work for them. It's great.

**WHAT'S IT LIKE WATCHING YOURSELF ON FILM?** I don't mind. It doesn't seem like me when I see it on screen and I remember what happened really. A lot of what you see is edited very well.

**WHAT ADVICE WOULD YOU HAVE FOR ANY YOUNG GUYS THINKING OF GETTING INTO THE PORN BUSINESS?** Enjoy yourself, because it looks a bit sad if you don't and the public can tell, I think.

**DO YOU HAVE A BOYFRIEND AND HOW DOES HE FEEL ABOUT YOU DOING PORN?** I have someone I sleep with regularly, but I wouldn't call him a boyfriend. He's quite keen to be seen with someone who works in porn.

**WHAT KIND OF GUY REALLY TURNS YOU ON?** I like guys who know what they are doing sex-wise and have no inhibitions. Dark haired men are usually my favourite.

**IS IT DIFFICULT TO PERFORM ON CUE FOR THE CAMERA?** It can be, if the others in the scene are messing around, or the camera guy takes ages to get a shot set-up. I manage to get turned on easily though.

**DO YOU THINK IT IS IMPORTANT TO GET TESTED REGULARLY FOR HIV AND STDS?** Yes, you want to be clean and hopefully all the people you have sex with are clean too.

**IS PORN WELL PAID?** It is for the time it takes.

**WHICH OTHER EUROCREME GUYS DO YOU FANCY?** I think Kamil Fox is very cute and Dominik Trojan is nice looking and I had a great time when we shot a scene recently.

**HOW DO YOU PREPARE FOR A PORN SHOOT?** I watch what I eat and pray that I don't get spots. I also do a bit of exercise.

**HAVE YOU EVER TRIED TO SUCK YOUR OWN DICK?** Yes. I used to be able to do it. But not sure I can do it now. Besides I prefer to have some guy's mouth around my dick, not my own.

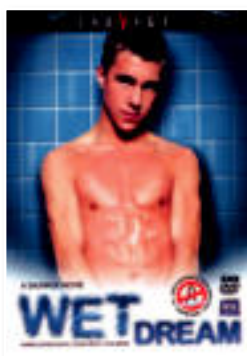

**WHAT'S YOUR FAVOURITE UNDERWEAR?** I wear briefs, don't like boxers, as I'm quite big and like things all wrapped up and not flopping around.

**WHAT'S YOUR BEST FEATURE?** My dick.

**WHAT'S YOUR BIGGEST INDULGENCE?** I like fashionable clothes.

**WHERE DO YOU SEE YOURSELF IN FIVE YEARS?** I will be a big porn star in the USA and live in an enormous mansion.

# WET DREAM

PRODUCTION: **Sauvage**  
DIRECTED BY: **Vlado Iresch**

A dreamy follow up to the very popular Dream Ticket, Wet Dream brings you more of what studio Sauvage delivers best: hot, smooth, well hung twink, sucking, rimming and fucking.

The star, George Basten (see interview on page 37) is a lifeguard at his local indoor pool. One day he stumbles across a magical Tardis-like music box on his way to work, he touches it and when he gets to work he finds he has the power to control what the guys who visit the pool get up to.

Cue poolside fun, frolics and fucking as a cast of sexy young guys get frisky in the sauna, in the pool, in the massage room, the showers and poolside.

Literally bursting out of skin-tight Speedos, these hot young studs fulfil all those swimming pool fantasies. You can almost

smell the chlorine and the soap in the showers!

Featuring Cameron Jackson, Eugen Procci (aka Dominik Trojan – see interview on page 36), Thomas Dyk, Grenady Prokov, Phill Berger, George Simon, Milan Breeze, Tomi Sem, Drago Lembeck, Alex Friezer, Robin Lu and Miro Benks, you're spoilt for choice. And with five hot bareback scenes, three of which are group bareback, cum eating

and cum on ass shots, fans of the extensive

Eurocreme twink range will be hitting the rewind button time and time again.

Wet Dream contains bareback sex, which can lead to the spread of HIV and STDs.

Think before you fuck raw.

# COCK BYTES

by Brent Nicholls

This month in Cock Bytes we go in search of Twinks! Accused of being too muscle obsessed; we are dropping our gym memberships and turning ourselves into chicken hawks. As long as it's legal it's ok with us! So expect websites with smooth, young and hopefully hung boys caressing, kissing, poking and choking on each other as we swoop onto the World Wide Web to find young cock. A lot of the sites featured are pay-sites with free previews. We cannot vouch for the security of these sites in regards to payment, which is a decision you have to make, however these sites are the hottest twink sites we've found. Young cum anyone? You know you want to!

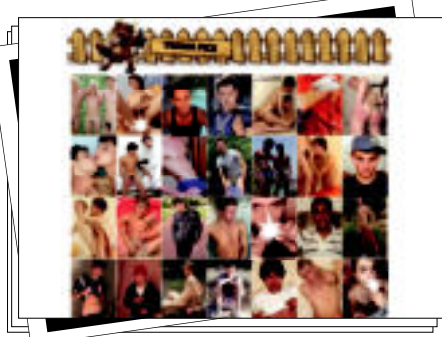

## [www.rutwinks.com](http://www.rutwinks.com)

There is nothing like the liberation from oppression, in this case communism, to bring out the pervs in us all. With the iron curtain truly raised, or in this case torn down and shredded, capitalism wields its lovely bucks in search of young hunks in the former states of the USSR, this time Russia. **RUTWINKS.com** is a site that features only, and I quote, "original photos of cute Russian twink." These twinks are fit in comparison to other sites we have viewed and are of that typical Euro-boy type. The free preview offers you stills of all the models with some soft-core action. Once you join up you can check out all the videos and pictures available on the site. They even offer live video stream 'from our house'. All the images are exclusive to this website, taken by their own photographers with content added daily.

## [www.gaybeef.com/st/niches/twink\\_pictures.php](http://www.gaybeef.com/st/niches/twink_pictures.php)

Over at GAYBEEF.com, a general portal to literally thousands of free pics, their twink section shimmers with young boys. The images vary and each thumbnail is a link to another website that offers free images. By clicking on the thumbnail link you are no more than a couple more clicks away from having an eye view of cock-tastic twinks coming, fucking, sucking or simply just being. The amount of free images here is staggering and should keep you eye-hawking the smooth round buns of some of the world's finest for a few hours. Once you start clicking you do enter a rabbit warren in the gay porno world, but what a place to get lost! While these images in the twinks section are generally of fit lads, if you like your twinks to twinkle and before they hit the gym check out [www.gaybeef.com/st/niches/young\\_pictures.php](http://www.gaybeef.com/st/niches/young_pictures.php).

## [www.dadsvstwinks.com](http://www.dadsvstwinks.com)

For those who like a bit of fantasy to go with their serving of twink, **DADSVSTWINKS.com** matches up the older guy with the younger looking twink. Story lines include "All this boy wanted was to get his earned grades... Little did he know that his professor was an old pervert who wanted nothing but his student's sweet little ass..." and "Watch experienced gay sailor blackmailing innocent ship's boy who wants to keep his work on the ship..." The models look as if they were imported straight from the suburbs and can be a bit nasty, but it's all about the fantasy, no?

## [www.blboys.com](http://www.blboys.com)

We just love portal sites. It's like the wormhole to young anal pleasure. Stepping up to meet our needs is **BLBOYS.com** which links to literally hundreds of websites with plenty of free previews and video downloads. You get everything from young leather lovers to barebacking bum boys, from dudes in college to military guys. More importantly, it's twink world, mostly fit looking and ready to drop their pants to please. The website also has a listing of the top free 110 porno sites and even divide the links into categories such as 'amateur pics', 'euroboys pics' and 'leather movies' to help you find what you are looking for faster.

**If you have a website that would be suitable for this page, please let me know by dropping me an email at [brent@brentnicholls.com](mailto:brent@brentnicholls.com). Commercial site, personal homepages, free galleries are all welcome.**

WWW.MANHUNT.net

**On Saturday 10th March, the guys from Manhunt were at Chariots Sauna in Vauxhall, London, promoting the website. QXMEN was there getting on the prowl.**

Beginning in Boston, USA as a phoneline dating service that still exists today, Manhunt began on the web in April of 2002. The site quickly expanded to New York, Florida, California, Texas and then to all 50 states. Now the hunting ground has expanded to the UK, Australia, Mexico, Brazil, and just in the past month to Western Europe!

"The need to meet up and make connections is pretty universal," says Phil Henricks, Director of Marketing at Manhunt.net. "We are men, after all, and always on the hunt. Users will find that Manhunt.net is a bit dirtier than other sites. Most of our members are serious about meeting

up with other members so they are very direct and there tends to be less endless chat." Members enjoy 24 hour unlimited access on Manhunt.net. There are always plenty of men to meet... most nights close to 30,000 guys are online at the same time! The site is also very easy to navigate and allows members to chat with members from other cities and countries. International members can also use Manhunt's new mobile service. Simply point your web enabled mobile phones or PDAs to mobile.manhunt.net. Many of Manhunt.net's features are also available on the mobile service.

"We're confident guys from all over the world are going to love Manhunt.net. Though we are primarily geared to facilitate hooking up," says Henricks, "Manhunt.net is also a place where great friendships and serious relationships can begin." The hunt is on!

# SEX-TRACTS

## FIND A LOCAL LAD ON-LINE WITH CRUISEME.CO.UK

Like most personals dating sites CruiseMe.co.uk is free, but without any of the usual limitations (for example, pay up to see the cock shots). So it really is 100% FREE! You can check out hundreds of guys around the UK, and do all the usual messaging. For guys who like webcams, the site is very webcam friendly and it's easy to identify other webcam users in the online user base. Also, if you have a sexy profile on another website, simply enter the details and a clearly visible link will show up on the search pages for users to click on. Great if you can't be bothered to enter all those intimate details again. We particularly liked the postcode maps – so easy to use. Just enter the first part of your postcode or click on the map and the database locates you in your general area (don't worry, you don't need to actually give the whole postcode or your address). So if you live in the centre of Glasgow or slap bang in the middle of Soho, just go to your area map and click. Hey presto! All the guys in your region pop up! Soon you can load horny video clips onto your profile, as well as lots of other smart stuff. CruiseMe.co.uk's popularity is booming, as guys complete their profiles and just wait for local lads to join - and we do like local. Why schlep across town when you can pop round the corner! But remember to fill out

your profile, there could be an amazing fuck (or something a bit more long term) just a few minutes away. You really could end up shagging the boy next door!

## COLT NOMINATED FOR 21 GRABBY AWARDS.

So here in the UK we don't (yet) have a gay porn awards. But then the USA had the Oscars before we had the Baftas, so we'll get there eventually, especially with the wealth of British porn currently being produced. In the States there are the GAYVNs and the Grabbys. The first Grabby awards were held in 1999 and was selected to coincide with the long-running Mr Leather (I.M.L.) events which draw crowds in their thousands. Nominations for the Grabbys are submitted from January 1st through to December 30th of the previous year (2006) to be eligible for the current year (2007). With an exhaustive range of accolades including Best International Video, Best Cum Scene, Best Solo Scene, Best Leather Video, Best Bottom, Best Cock, Best Newcomer, Best Twink Video, Best Director, Best DVD Extras and the coveted Hall Of Fame induction, all the top studios will be vying to be nominated. This year, Colt Studio Group has amassed a whopping twenty one nominations! One of the industry's leaders, Colt consistently produces porn of the highest calibre. And this year, Colt celebrates its 40th year. Making it the longest running studio in the industry.

The 16th annual Grabby Awards Show is Saturday, 26th May at the Park West Theatre, Chicago. (See [www.grabbys.com](http://www.grabbys.com) for more info).

## BEST BUTTS

Last issue we asked QXMEN readers to send in pictures of their butts. The response was great, thanks. However, here at QXMEN we can never get enough of a pert derriere, so keep sending those pictures in.

Over the next two issues we'll be collecting shots of your tight tushies and in June's issue we'll print the best entries, rewarding the top three with great prizes, including horny porn DVDs, kinky toys and top name designer underwear from Clone Zone and Prowler stores.

So get snapping and email those pics in to [qxmen@qxmagazine.com](mailto:qxmen@qxmagazine.com) or post them to QXMEN, 2nd floor, 23 Denmark Street, London, WC2H 8NH.

## MEET THE GINCH GONCH BOYS

QXMEN does like nice pants and we were delighted to come across Ginch Gonch. Ginch Gonch Fashions Ltd is only two years old but has already carved out a niche for itself as the "brat" of the industry. Now, meet the Ginch Gonch Boys! Former adult industry icon Benjamin Bradley and international cover model Ethan Reynolds have signed a contract with Vancouver-based underwear company Ginch Gonch Fashions Ltd as the company continues its in-your-face marketing campaigns focusing on sexual repression, fanatic religious dogma and the ignorance that perpetuates AIDS in the gay community and in third world countries.

In the words of founder and creator, Jason Sutherland, "Ginch Gonch has always embodied the spirit of freethinking. It is this fundamental right that we hold most dear. We seek to empower the disenfranchised, to enable the unable and to allow people to understand that they do have a choice – and we seek to do so in style."

Errm, right, whatever... But we must admit, the pants are very sexy. To see the full range of underwear, go to [www.ginchgonch.com](http://www.ginchgonch.com).

# it's easy as A, B, C...

## THE FACTS ABOUT HEPATITIS

BY DR ALEX VASS

There are quite a few viruses that cause hepatitis but three, Hepatitis A, B and C are the most common. They are also sexually transmitted. These viruses cause hepatitis – that's damage and inflammation of your liver – that can lead on to permanent liver damage and even liver cancer. So time to learn your A,B,C's.

*"I got told I had hepatitis last time I had a sex check. I never knew what it was until then. It was not a bad hepatitis but I felt pretty stupid because it could have damaged my liver. And it can be prevented by just having a vaccination. I keep telling my friends to go along but some just can't be bothered. I love sex but it still makes sense to try to protect yourself."*  
Justin

### How are they picked up or passed on?

The Hepatitis A virus is present in faeces and, during sex, tiny amounts can easily get passed to your mouth – especially if you're fingering, rimming or handling sex toys. But worldwide it's more often caught by eating food prepared or handled by someone with the infection who has not washed their hands after visiting the loo or by drinking water that is contaminated with faeces of infected people.

The Hepatitis B virus is in blood, semen and pre-cum and is spread when bodily fluids from an infected person enter the bloodstream of someone without the infection. So most often it is caught through unprotected anal and oral sex. It's very easy to pick up because it is very infectious – 10 times easier to catch through sex than HIV.

Hepatitis C is the most serious of the hepatitis viruses that can damage the liver. It is present in the blood and so you can pick it up or pass it on through unprotected sex, fisting or sharing sex toys. Men with HIV seem to pick up the virus more easily – but exactly why is not known. Like Hep B sharing razors, syringes and toothbrushes is a risk too.

### Symptoms

Many guys who pick up a hepatitis virus don't get any symptoms and often find out they have had the infection when tested during a routine sexual health screen. For those who do get symptoms they are like a flu-like illness – headaches, muscles pains, fever, feeling or being sick and stomach pains. Also your faeces can turn pale and urine dark and the whites of your eyes can turn yellowish (jaundice). For most guys the body fights off these viruses and eliminates them from the body but whilst this is happening it is important to rest your liver by eating a low fat diet and avoiding alcohol or painkillers like paracetamol. Only very few guys need to be admitted to hospital during their illness, but it can take many weeks or sometimes months to fully recover.

But some guys aren't able to clear the Hep B or Hep C viruses from the body and so become 'carriers' of these viruses. The virus can then carry on harming your liver and lead to liver damage or liver cancer. But there are treatments that may slow down the damage these viruses do to your liver if you do become a carrier. Being a carrier means that you are never cured of the infection and so you will always be able to pass the infection to others.

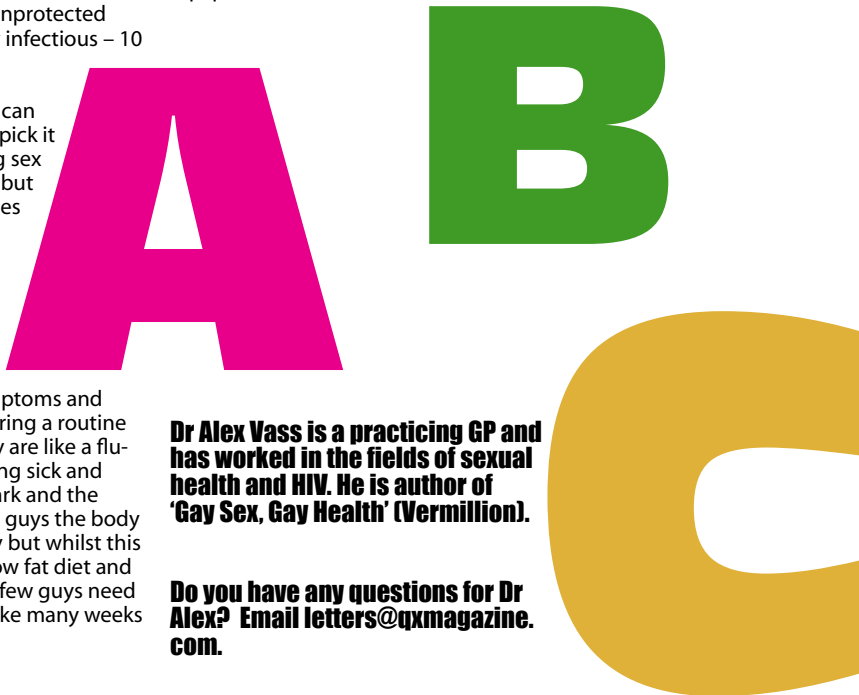

### Who to tell?

If you get diagnosed with hepatitis A, B or C you need to tell the sexual partners – for Hep B and C as far back as 6 months – so that they can get tested and treated. Also whilst unwell you should avoid sex. And remember that if you become a carrier of a hepatitis virus you will likely always be infectious and need to practise safer sex.

### Protect yourself

The best protection against Hep A and B is vaccination. You can get these jabs from your GP or GU clinic free of charge. Clinics can be found on : [www.london.gaydata.co.uk](http://www.london.gaydata.co.uk). If you have not been vaccinated then condoms are your best protection and if you don't want to use them for oral sex then don't get cum in your mouth. Also try to avoid contact with faeces during sex – wash your hands after handling condoms and sex toys, use gloves for fisting, a latex barrier for rimming and if you use drugs never share needles.

There is no vaccination against hepatitis C so the only way to protect yourself is by using condoms for anal sex and gloves for fisting will help protect you. Also avoid sharing razors and toothbrushes, especially if you know someone has hepatitis C. If you inject drugs never share equipment.

# YOUR SHOUT . . .

Oh my God! Francesco D'Macho and Francois Sagat are dating! Since I read that bit of news in last month's QXMEN I can't stop thinking about them together and wishing that I could be a fly on their bedroom wall. I can't believe that, because they work for different studios, they're not allowed to 'perform' on film together! What a hot couple! I'd consider remortgaging my house for a glimpse of those two gorgeous guys going for it hell for leather!

John, Hertfordshire

Yes John, there have been a few guys in the QXMEN office who've also commented on what an outstanding couple Francesco and Francois make. Check out his blog which he updates regularly ([francescodmacho.blogspot.com](http://francescodmacho.blogspot.com)). Next time the guys come into the office we'll put your offer to them and

*you never know, they might just give you your own private performance!*

Dear QXMEN,  
I loved the review and pictures from Commando. There's nothing as hot as watching hunks fuck in their army fatigues and boots. It's almost enough to make me join the armed forces. But, in the meantime, I think I'll just log on to Studio2000's website and order myself a copy.  
Steve, Manchester

Hi Steve,  
Yes, I'd agree that joining the army and going to Iraq or Afghanistan in the hope of getting a little camouflage trouser action maybe taking things just a little too far. Check out our review of Private Lowlife on page 22. I'm sure you'll like these army fuckers.

Just had to write to let you know what a great wank I've just had over March's centrefold Marc Williams. Just the thought of him ramming his big black dick up my tight white butt while he's kissing the back of my neck gets my juices flowing. More black guys please.  
Ben, Wolverhampton

Well Ben, I hope you've got your tissues at the ready because we'll be featuring Marc Williams very soon. Keep your eyes open over the next few issues.

Dear Matt,  
Fortunately, March has 31 days to enjoy the centrefold hunk who graces the calendar this month. More please!  
Regards, John Richard

Dear John,  
It seem that Hot House stud Marc Williams has many, many admirers. An interview with Marc (and many more hot photos) is coming soon.

Dear Editor,  
I have always enjoyed your magazine each month and some of the contents, photos and porn reviews make for "hard" reading. Alas the one thing that is missing is men wearing kilts! How come we never see guys in kilts and what's under them? Do they wear them as a true Scot and "let it all hang free", and why are there no DVDs to be found? Just how good at searching are you? I am a kilt wearer and some guys at my local pub know what's under mine, first hand. Hope to see some results from this short letter. There's nothing better than to see a pair of dark hairy thighs below the kilt. Looking forward to next month's issue.  
Patrick, Lancing, West Sussex

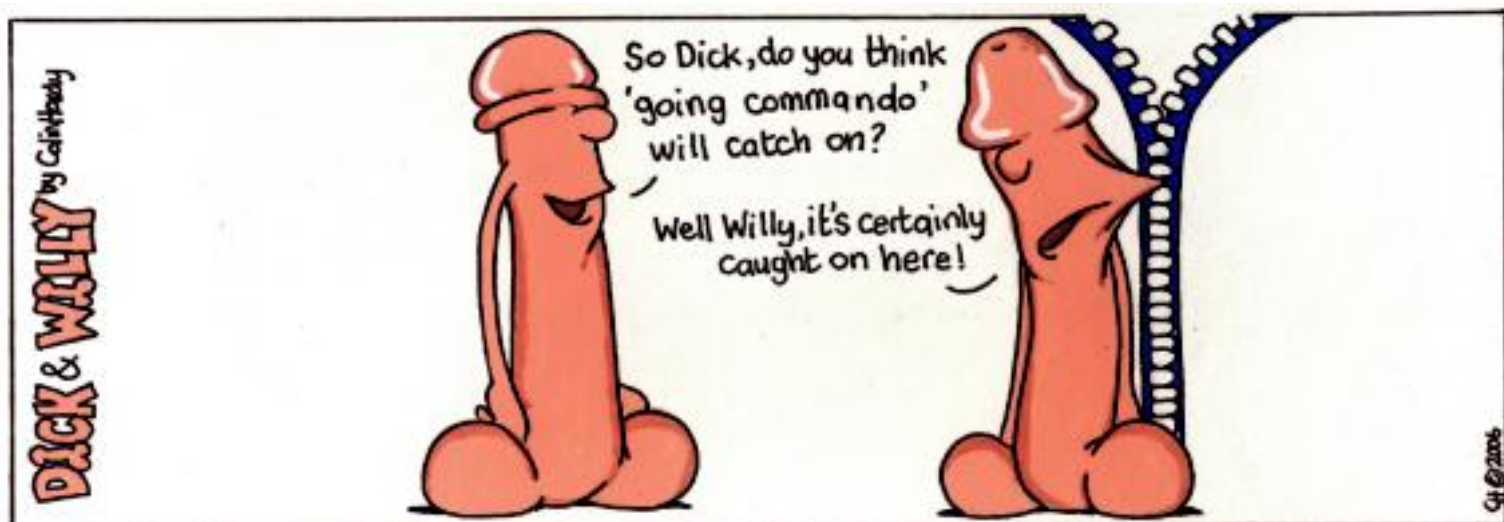

Hi Patrick,  
I've been hanging on to your letter, as there are quite a few guys who love a guy in a kilt. The search for specialist DVDs didn't meet with much success. But check out these websites for

*starters: [Gaykilts.co.uk](http://Gaykilts.co.uk), [kiltmen.com](http://kiltmen.com), [sporranculan.typepad.com](http://sporranculan.typepad.com) and [Scotsgay.net](http://Scotsgay.net) for starters.*

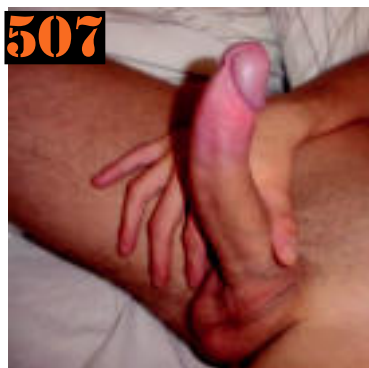

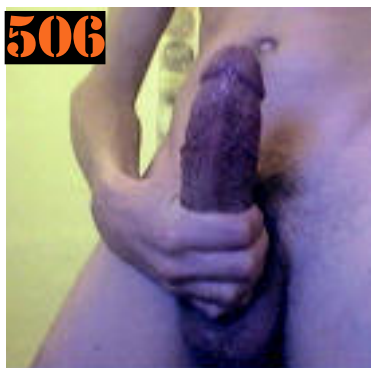

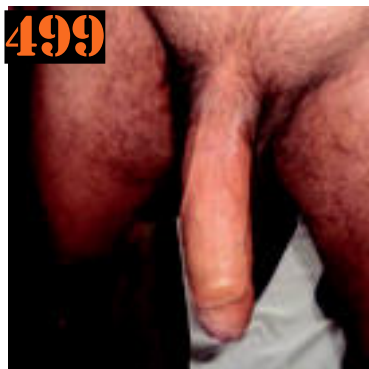

Dear Matt,  
I have to write to let you know that every month when I bring QXMEN home it's not my boyfriend who's the first to flick through the pages gawping at all the hunks, but my Mum! Don't worry, I do stick little (and sometimes large) post-it notes over their cocks and gaping holes so that her blood pressure doesn't go through the roof, but I've got to tell you she's one of QXMEN's biggest fans. She's always saying that gay men are so much better looking than straight men and she loved your feature on the book Business Affairs so much that I went out and bought her a copy for Mother's Day... It beats a bunch of flowers any day!  
Alan, Rochdale

Dear Alan.  
I'm so glad that QXMEN has such a varied and diverse readership. We aim to please as many people as we can. I wouldn't advise showing QXMEN to your Gran though. She might not be as broadminded as your Mum and we can't be liable for heart attacks!

Have you got a comment, a filthy story or even some horny pictures that you'd like to share with QXMEN? Email [qxmnen@qxmngazine.com](mailto:qxmnen@qxmngazine.com)
