## Greetings,

Welcome to the tenth issue of QXMEN. How time flies when you're cock-watching!

This month's cover boy cutie comes to us courtesy of Bel Ami. Check out the interviews with Paul Valery and centrefold, donkey-dicked Jake Havoc, Studio 2000 exclusive. Jake also stars in Big Boat, one of the many releases reviewed in this issue.

Last issue's Triga feature got great feedback - it's amazing how patriotic you lot are when it comes to Brit porn. And nobody flies the flag prouder than Triga.

Okay, so the last issue was quite "twinky" in content and along with loads of positive comments a few of you did ask, "Where's the beef?" We do try and strike a balance between the younger guys and bigger, butcher men, but I guess we can't please all the people all the time. One man's scally lad is another man's leather queen - or something like that...

This month, QXMEN went behind the scenes on two shoots with Englishlads.com - where all our straight boy wank fantasies came true!

And a new film 'Gaytanamo' has divided the QXMEN office. Is it insensitive and disrespectful, or should the porn industry be allowed license to parody politics? Do you have an opinion? See Sex-tracts for the full story.

On a lighter note, thanks to all those guys who have been sending in pictures of their cocks and arses. Keep 'em coming. Best Butt Competition results to be revealed and rewarded in June's issue.

# A SNEAKY PEEK AT THE LADS

## QXMEN goes behind the scenes with Englishlads.com as they film two super hot scenes for their website.

Constantly updated, easy to navigate and featuring some of the sexiest uncut amateur guys in the UK, this is one site that's anything but amateur! At the moment there are 222 models featured in exclusive photo and video shoots, some gay, some straight, some bi, but all downright fucking horny! There are around 100,000 photos on the site with 6 new photo sets added every month. At our last count there were 212 videos and that increases at the astonishing rate of 6 new videos a month! Featuring the best of British, members get to view model profiles and even see whose snaps and movies are most requested in "Top Lads". And if you are after a certain type of lad to satisfy your wank fantasies,

by simply entering your ideal stats (eg. hair colour, body type, dick size, cut/uncut... even star sign!) the database comes up with your ideal guy. Genius.

There are plenty of free images to look at, but membership opens the door to unlimited content such as three updates a week, 6 hi-res videos a month, 6 photosets a month and access to a colossal archive of photos and videos.

**To see more of the guys featured here and loads more fit, sexy lads. Check out [www.englishlads.com](http://www.englishlads.com).**

**Danny-Boy** has done straight porn for the last two years and was requested by quite a few of the members of Englishlads.com if a shoot with him could be arranged. Athletic, outgoing, confident and full of spunk it's not often that a young guy of 21 does straight porn. However, Danny's secret weapon is an awesome 9 inch – and he shoots like a geyser too!

**Age: 21**  
**Height: 6' 3"**  
**Cock: 9" uncut**  
**Chest: 42"**  
**Waist: 34"**  
**Sexuality: straight**  
**Star sign: Cancer**  
**Lives: London**

**Danny Valentino** is a broad-shouldered lad with a muscular physique, bright blue eyes and blond hair. He's been a personal trainer since his teens and has been a keen athlete, having been into running but now favours body building and rugby. But he also plays football and rides his bike around London. He admits to being quite an exhibitionist! No, really?

**Age: 24**  
**Height: 6' 1"**  
**Cock: 7" uncut**  
**Chest: 44"**  
**Waist: 34"**  
**Sexuality: straight**  
**Star sign: Sagittarius**  
**Lives: London**

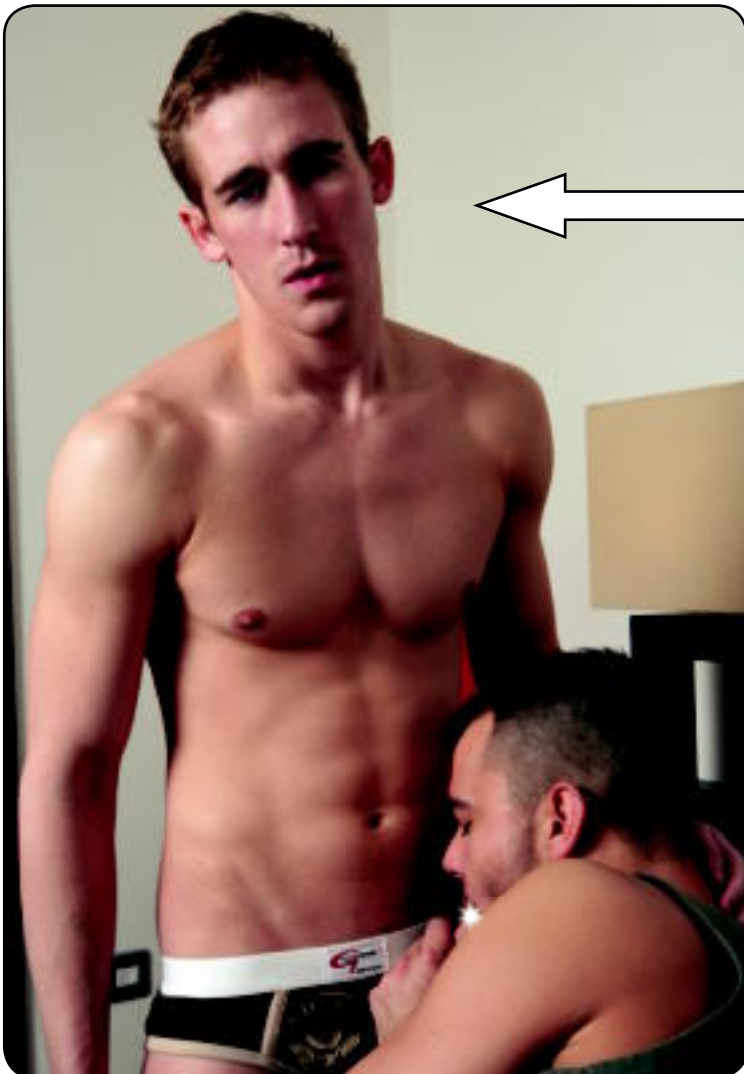

## What happens:

Danny-Boy comes together with Danny Valentino for an action packed shoot. These two str8 lads were not phased at all by the camera, and what results is a really competitive wank! They strip down, glancing and commenting on each other's size. Their reactions are really entertaining, funny and incredibly horny. The lads wank off side by side, sitting down, standing up, exchanging sly glances - the whole shoot is great fun. Danny is first to shoot, he dumps a nice load on his abs, closely followed by Danny-Boy shooting an even bigger load all over his chest and abs! Two str8 lads larking about. Love it!

## What happens:

These are two lads who were made to work together! Mason is an old pro having performed for big name companies like Falcon. Matt is just off the leash and his boyfriend lets him go all the way! There are hardly any teasing shots in this shoot and foreplay is quickly dispensed with as Mason's uncut meat is soon in Matt's hand and then in his mouth! A 69 follows and they both rim each other and a few minutes later Matt's cock is plugging Mason. Mason is one of these lads who resists to begin but within a few minutes is asking Matt to pound him harder! This is a full-on shoot with loads of hard fucking all ending with cum every where!

**Mason Wyler** does stand out from the rest of the lads as he's done quite a bit of modelling in the USA and, unlike the rest of the guys on the site, he's American. Mason was in the UK recently and got together with some of the English Lads. Mason loves a good hard fucking and seems to have really taken a liking to a bit of British cock. He told us his fantasy is to convert a bunch of army lads to take a walk on the wild side!

**Age:** 23  
**Height:** 5' 9"  
**Cock:** 8" uncut  
**Chest:** 38"  
**Waist:** 30"  
**Sexuality:** gay  
**Star sign:** Capricorn  
**Lives:** Dallas, USA

**Matt Brooks** is a fit-as-fuck truck driver from South London. He loves performing in front of the camera and tells us he's always horny and up for shag. Matt sports some pretty cool tattoos and is apparently very flexible! Which he attributes to years of martial arts training.

**Age:** 21  
**Height:** 5' 11"  
**Cock:** 7" uncut  
**Chest:** 40"  
**Waist:** 32"  
**Sexuality:** gay  
**Star sign:** Capricorn

**WHERE DO YOU LIVE NOW?**  
Prague

**WHAT'S YOUR SEXUAL PREFERENCE? (TOP, BOTTOM, VERSATILE):**  
Top

**WHAT WAS YOUR FIRST SEXUAL EXPERIENCE LIKE?**  
It was terrible... I was so scared I could not get a hard on. I quickly got over the fear though, look at me now!

**HOW DID YOU GET INTO PORN?**  
I've been found by a BelAmi scout here in Prague.

**WHAT'S IT LIKE WATCHING YOURSELF ON FILM?**  
Very exciting. I really like showing my performance to my friends. I have a big cock and show it off whenever I can.

**IS IT DIFFICULT TO PERFORM ON CUE FOR THE CAMERA?:**  
(Big smile) Not at all! I LOVE performing for the camera, that's the whole point of making porn.

**ARE YOU A NATURAL EXHIBITIONIST?**  
Sure... big time!

**DO YOU LIKE WATCHING PORN? YOUR FAVOURITE PORN FILM OF ALL TIME?:**  
I love watching porn movies...my favourite porn movie is Rebel obviously!

**IS PORN WELL PAID?**  
I don't care... I just do it for fun.

**HOW DO YOU PREPARE FOR A PORN SHOOT?**  
I don't need to prepare... or maybe just a bottle of vodka! I always fancy my partners so have no problems getting it hard. Then I just follow the director's instructions or take control and do my own thing.

**WHAT'S THE HOTTEST SCENE YOU'VE EVER BEEN IN?**  
The factory scene with Keith Johansson in Rebel. Keith is a hot blonde guy who I really fancy and I pounded his arse without stopping. It was just the perfect hole for my cock. We shot on this old sofa in this dilapidated building. In the end I shoot a big load reaching up to his face several times. I was aiming for his mouth but nearly got his eye!

**WHAT WON'T YOU DO IN A PORN MOVIE?**  
Having sex with a girl!

**SEX IN BED OR OUTSIDE? WHAT DO YOU PREFER?**  
In bed.

**WHAT'S YOUR FAVOURITE POSITION?:**  
Doggy style. The feeling when the guy really arches his back is amazing. I also really like leaning on my partner with all my weight. I leave no respite.

**WHAT'S THE BIGGEST DICK YOU'VE EVER SUCKED/BEEN FUCKED BY?**  
I am pretty sure it was Manuel Rios in an episode from 'Out in Africa' I think. As big as mine!

**WHAT WOULD BE YOUR FANTASY THREESOME?**  
Josh Elliott, Brandon Manilow and me. That would be fucking hot! The three of us are more often top than

bottom so I wonder who would fuck who? But I would love to doublefuck Josh with Brandon.

**WHICH BELAMI BOYS YOU HAVEN'T YET PERFORMED WITH YOU WOULD LIKE TO PERFORM WITH?**

I haven't performed with Johan Paulik. He's only directed me in a few scenes. I want him to come back in front of the camera for me. Otherwise, it would be everybody else I have not performed with. They're all hot, I could do any of them.

**IF YOU COULD CHANGE ANYTHING ABOUT YOUR APPEARANCE, WHAT WOULD IT BE AND WHY?**  
I think I am a good-looking boy. So no changes!

**HOW OFTEN DO YOU HAVE SEX?**  
3 times a week when I'm not shooting.

**HAVE YOU EVER FUCKED A GIRL?**  
Yep... but never again!

**WHAT'S YOUR GUILTIEST PLEASURE?**  
I cannot tell you.

**DO YOU HAVE ANY BAD HABITS?**  
I smoke and drink. A lot of BelAmi guys love drinking and partying,

they're always fun to go out with.

**HAS YOUR VIEW OF SEX CHANGED SINCE YOU DID PORN?:**  
Yep... I like it much better now.

**WHAT'S YOUR VIEW ON BAREBACK?**  
I think it makes sex more intense, I don't know why. But you have to be careful.

**WHAT ADVICE WOULD YOU GIVE TO ANYONE STARTING IN THE PORN INDUSTRY?**  
Put everything in it and enjoy it.

**WHAT WE CAN EXPECT FROM PAUL VALERY IN THE FUTURE?**  
Get ready for a BIG ride!

**See Paul in 'Rebel' by Bel Ami available from Prowler.**

# INSTINCT

PRODUCTION: **Raging Stallion Studios**  
DIRECTED BY: **Chris Ward**

Featuring five (yes, five) GAYVN Star of the Year Nominees (the American version of the porn Oscars), Instinct, the follow up to 'Manifesto' is an extended double-play disc that showcases director Chris Ward's stunning work.

Raging Stallion Man of the Year and former QXMEN cover star, Jake Deckhard is flat on his back in the first scene as Tamas Eszterhazy tugs on his tits with his teeth. He works his way all the way down where he shoves his leather bound cock and balls against Jake's boots. He loosens Jake's belt with his teeth and starts on his massive dick. Soon Jake is fucking Tamas' ass, alternating positions. Tamas explodes while Jake fucks him then Jake blows his load over Tamas' chest.

RSS exclusive Dirk Jager gives an excellent solo performance in the second scene. He literally beats his cock. The positioning of the mirrors allows us to get both sides of this beautiful man as he brings himself off.

QXMEN favourite Dean Monroe is on his knees at the start off the third scene, literally begging for Ken Mack's fat dick. Dean shows off his oral talents and then the two swap, Ken worshipping Dean's foreskin. With Dean on his back he takes every inch before being plugged with a huge black dildo. Ken replaces the toy with his cock and fucks Dean from behind. He pulls out and they both shoot standing up.

Donkey-dicked Rafael Alencar joins the incredibly versatile (and drop dead gorgeous) Francois Sagat in scene four. Sagat swallows Alencar's tool with gusto. Soon they both shoot their loads – cum drips off Sagat's beard. He then offers up his hole for Alencar which he ravages until they both blow their loads. So hot!

Jake Deckhard's back, chewing on a stogie, while Matthieu Paris eats his pits, before he moves onto Deckhard's rock hard dick, offering up his ass for a jackhammer fuck.

Matt Cole's stunning solo in scene six shows exactly why he's worshipped the world over – ripped body, huge dick and a beautiful winking hole.

Dirk teams up with Luc Bonay in scene seven, aggressively shoving and punching Luc in the chest. Luc works Dirk's big cock as Dirk plays with Luc's ass. Luc's face down as Dirk fucks him hard. Dirk pulls out and covers Luc's face with cum.

In the final scene Manuel Torres offers Brett Mathews his huge hard on. Soon he's eating Brett's ass, shoving his tongue in as far as he can. As Brett is being fucked Fred Faurtin appears and takes his turn, finally cumming on Brett's stretched ass.

Five fucking stars!

# BORSTALBOY

PRODUCTION: **DreamBoy / Eurocreme** • DIRECTED BY: **Simon Booth**

Will Jamieson stars in Dream Boy's latest release. Just transferred from Feltham for fighting, inside this borstal things are quite different. With testosterone levels going through the roof, both guards and inmates are as horny as fuck. The guards force smooth young inmates into hardcore ass-ramming, and even fellow prisoners exert their authority over the younger, prettier boys by making them take huge cocks from both ends!

Just arrived in borstal, Will releases tension in a solo shower wank scene. Scene two has a forced threesome and double penetration, when guard Darren takes monster-dicked Titch

and uber-bottom Ashley into the shed after a hard day's graft. The two convicts fuck and suck each other and soon Darren gets in on the action, loosening Ashley up before he takes both cocks.

Scene three features a hardcore five-way with top dog Ben Taylor giving the orders. The

scene ends in hot cum on faces, asses... everywhere. Watch out for the thick load Billy gets from mega hung Steven Prior.

In scene four tanned Anthony enjoys Ricky's blowjob so much he shoots at the start and end of the scene! Both take turns to fuck each other, going as deep as they can until they blow their loads.

More forced sex in scene five as guard Steve makes two lads suck and fuck each other while he fucks a third. Dark haired Rio shoots a massive load, whilst Will drenches Ricky's back.

The greenhouse gangbang in scene six sees Aaron get accosted by Ben Taylor and two of his boys, forcing him to take big dicks from all angles. Guard Darren watches and wanks.

New top dog Will takes his crush Aaron upstairs for some hard ass pounding. Ball-slapping action and a superb slow motion cumshot from Will make this a stand-out seventh scene.

With the old guards ousted the inmates are free to fuck whenever, however and whoever. The final scene is a great three-way. Anthony Thomas takes Titch's huge meat whilst sucking on Rio's cock.

Where exactly is this borstal? We'd do the crime to spend time there!

# BAREBACK TWINK RANCH

PRODUCTION: **Twinkz/Eurocreme** • DIRECTED BY: **Vlado Iresch**

Fit farm workers get together in an Eastern European all-out outdoor fuckfest. Giving a little nod to smash hit Brokeback Mountain, Bareback Twink Ranch features hot guys in cowboy hats, plaid shirts and denim jeans – that is until they're naked and fucking.

Gay brothers Steven and John Vulcan are in charge of the ranch. It's all going well until a hot new farmhand Luky arrives. Not much work gets done, but they sure work up a sweat! Luky Marco gets taken for a riding lesson by Thomas Dyk (note the obvious pun). There's a saddle on the horse, but Luky rides bareback. All eyes are on Luky, especially John Vulcan's.

In the next scene Johnny Malcon and Tony Koch are out in the fields. Soon they're 69-ing in the back of the truck. Johnny ploughs into Tony's greedy ass. They both shoot massive loads, ending a great al fresco sex scene.

In scene three, Steven Vulcan and three of his mates give Luky a night to remember, as it's his last night on

the ranch. Luky goes all bitch boy, taking turns to suck each cock and then taking each one up his ass. He gets showered in spunk.

Steven and his brother John (who has fallen in love with Luky) argue over what had happened. Words are exchanged and a fight ensues. Steve leaves the ranch, vowing to never come back – Luk follows.

Enter Jay Renfro. Working late in the barn he's cornered by two other ranch hands. It doesn't take him long to get stuffed from both ends and then takes both cocks at the same time!

It looks like John Vulcan would never be happy. He's lost a brother and the guy he loved. But there's always a happy ending and after a hot stable session with Earnest Blue who drives into John's ass, we fast forward to a year later when his brother returns and they make up. Ahhh.

The description is in the title and this film features sex without a condom leads to the spread of HIV and STDs. Think before you fuck raw.

# JOCKSTRAP ORGY

PRODUCTION: **Euroboy Sport**  
 DIRECTED BY: **Monaco**

Jock Strap Orgy picks up where Football Fuck left off (see April's QXMEN for the review). We imagine the referee has taken that bribe after all, as the action opens in the showers after the game where the guys are all naked and fooling around along with the ref. The action cuts back to the final match and shows the last minutes of the game. Victorious, the team head back to the locker room with the ref and soon they're all naked, rock hard and comparing cocks. Three of the guys head off to the shower while the rest remain behind wanking and sucking each other. The three guys in the shower are also getting their own party started and are soon deep-throating each other's dicks.

Back in the locker room the sucking continues with each team member getting a taste of the rest of the team's members. They stop for a while and all put their jockstraps back on, checking out each other's butts and packages. Soon they're all so turned on they discard their

jockstraps and get down to some serious fucking, swapping positions and partners and they grunt and groan through every imaginable fuck position until they all shoot their loads.

The final scene shows one of the players back at home – and he's got all the sweaty jocks! He gets them out, lays them on the bed and starts wanking. Another player walks in on him (is it his boyfriend?) and they both get down to some serious fucking. They shoot. Exhausted, they flop down on the bed, surrounded by sweaty jocks. If you've got a jockstrap fetish and you like watching group sessions, this is certainly one for you!

DVD extras include a cum shot gallery (lots of cum shots!) and trailers for Soccer Lads and Football Fuck.

# LONGBOARD

PRODUCTION: **Falcon Studios**  
 DIRECTED BY: **Chad Donovan**

Surf's up dude! But these guys spend as much time sucking and fucking as they do surfing. From beach to bedroom, it seems when the sun goes down the heat gets turned up. Local surfers Derek Brodie and Jesse Santana spy a new board-rider on the beach, newcomer Zackary Ryan. Zack, however, is oblivious to their common-ons. So Derek and Jesse head over to Dean Monroe's house. He's out, so the two pass the time with some dude-on-dude action – with Jesse taking every inch of Derek's thick cut meat. Dean

guys fucking, gets freaked out and leaves.

It's another night at Dean's house and a hot three-way is underway with Dean in the middle of Jason Harley and Jeremy Hall. Zack walks in on the action and is shocked at what he sees. But he does linger a little too long for a straight guy.... As he's leaving he runs into Ashton Star who tries everything to calm Zack down – even if that means sucking the confused "straight" surfer stud's big dick, rimming his ass, letting him fuck him and then returning the favour!

Bonus DVD features include trailers for Top To Bottom, The Velvet Mafia, Dripping Wet, Riding Hard and The Farmer's Son.

Available from Prowler Stores and [www.prowlerdirect.com](http://www.prowlerdirect.com)

returns home and Zack shows up. Zack really doesn't get the fact that all the surfers who pop by Dean's place are gay.

In scene two, Andrew Justice and Jorden Michaels swing by. The attraction is instant and they immediately disappear into the spare room where they suck and fuck the night away. Zack hears the two

# LOUTS UNITED

PRODUCTION: **A Big Boys Fucking Chav Film / Triga**

You want them rough? You want them rude?  
You want them dirty and perverted? Triga  
delivers: "Skins, Scallies, Boots and Suits"

A skinhead stands pissing. He shakes his  
cock and buttons up his jeans. He answers the door to a suited visitor.  
Soon the skin's boots are being licked and big gobs of spit rain down as  
he stuffs his dick in the young guys mouth. Lifting him on to the table  
and pulling his suit trousers down the skin stretches the young guy's  
ass open lubing it up in readiness for a  
good fucking with spitty fingers. Rogered  
senseless the young guy kneels before  
the skin top, licking his balls and sucking  
dick until he has a faceful of cum.

In a derelict building a muscle bound,  
tattooed, sexy guy has a  
cigarette in one hand and  
his cock in the other.

As he wanks  
he burns

his knob with the tip of the fag. Stripping off, he pulls down his trakkies  
and pumps away at his cock until he shoots a massive wad. A great solo  
scene.

Two scally lads are cleaning a kitchen as a super-hung skinhead  
delivers stock. The skinhead takes a piss and starts wanking. Curious,  
the youngest scally goes to inspect. Soon he's on his knees being force  
fed a monster cock. Dragged out into the kitchen by the other lad, a fast  
and furious three-way session begins. On his knees the young scally  
sucks both cocks before he's put over the kitchen counter and finger  
fucked. Then the older lad gets his hole rimmed before he's ploughed  
by the skinhead's massive dong. Then it's the younger lad's turn and he  
takes his place in the middle as he chokes on the skin's dick and gets  
fucked by his mate. As the scally lays wanking on the floor spunk spurts  
onto his face and he hungrily laps it up. Dirty little fucker!

For the best of British, you can't beat Triga.

Check out the trailer for Fuck A Hoodie, Triga's next  
big release.

# SUITED AND BOOTED

PRODUCTION: **Office World Film / Triga**

Dedicated websites, club nights, even picture books... but no porn? Finally, thanks to Triga there's a porn film that caters for suit fetishists! Who doesn't like a bit of sartorial sleaze? Cocks hanging out of nicely tailored suits are bound to get any guy's juices flowing. And who hasn't had a white collar wank fantasy where some sharp dressed man makes you earn your overtime? A busty female secretary leaves her desk to powder her nose. An office worker sneaks behind her

desk removes a pair of panties from her bag and goes back to his desk and sniff them. Soon his cock is in his hand and he's wanking furiously. So caught up in his own little world he fails to notice his two colleagues walk into the room. "You fucking dirty cunt!... Come on, suck this!" Soon the knickers are discarded and the office panty-sniffer has two cocks in his mouth. The suits are stripped off and he's soon bent over the desk, getting it from both ends. There's a solo wank scene from a junior office boy, who pumps at his

cock furiously until he shoots his load. Then the camera focuses on a shaven headed daddy, sat at his desk tugging at his cock. His young boss catches him skiving and puts him to good use, producing a thick hard cock. Soon the slacker is bent over the desk getting pummelled from behind. The boss (still in his tie) pulls out and cums over the exhausted employee who instantly blows his load. The final solo scene sees a suited and booted skinhead wanking his big dick at his desk. His heavy balls flop out of his zip as he loosens his tie. He ties his balls off with his necktie and wanks, slowly stripping off and fingering his hole, until he blows his load.

Two thumbs up to Triga!  
When's the office party?

# RUDEBOIZ6 HUNG LADZ

A FILM BY SIMON BOOTH

PRODUCTION: **Rudeboiz/Eurocreme**  
DIRECTED BY: **Simon Booth**

If you like those rough 'n' ready trakkies 'n' trainers scally boy types and you're also a size queen, then this latest release in the Rudeboiz series (number 6) will blow your mind. Following the tried and tested winning formula of this best selling series, these horny chavs get straight down to business behind the closed doors of their council flats.

The first scene features Titch Jones. Please don't let the name deceive you, he may be small in stature but certainly not in the cock department, boasting ten inches of prime council cock, as he fucks the bejesus out of Danny Dawson.

Hottie Will Jamieson pairs up with smooth twink Rio Fransisco in the next scene. There's great chemistry and Rio is already rock hard before Will walks through the door.

In true Rudeboiz style Sean McKenzie and Leo Mack keep their baseball caps on throughout the whole of the third scene. Don't let their innocent baby faces fool you, after five minutes these two turn into

rampant sex demons. There's a great cum-in-the-mouth ending when Leo swallows every drop that Sean shoots.

Skinhead Ricky Jackson and Kyle Reed are all over each other in scene four. Ricky takes Kyle's massive dick, trying all sorts of positions as he gets his hole stretched.

But it's the final scene that will have you hitting the rewind button. The unbelievably hung Steven Prior teams up with back alley boy Ashley Ryder in the final scene. Deep-throating this monster python and then riding it hard, Ashley ends up with a face full of jizz and a big smile on his face.

Bonus DVD extras includes the trailers for the other five Rudeboiz films.

# PURE (PUR)

PRODUCTION: **Cazzo** • DIRECTED BY: **Jörg Andreas**

Sometimes you wish, and dreams really do come true. 'Pure' stars the absolutely beautiful and super sexy Christoph Scharff. Jan Losch, Tim Vinzent, Erik Lenn, Justin, Andreas Stich, Mats Riem, Mike Power, Marko Isak, Lance de Moor, Mo, Sebastian Krafft and others make up this incredible all-out, no-holds-barred cast.

Scharff goes to a sex club, where, extraordinarily, things happen exactly as he wills and wishes them to. Whatever he wants in the moment actually happens – just as if it was arranged specially for him! The film is shot in a disused factory, an industrial, cavernous, labyrinth. Out of nowhere, men appear. Each scene is dedicated to the many, many possibilities, permutations and combinations of man-on-man sex.

There is an added twist as the various scenes unfold: Christoph's boyfriend Sebastian is also in the club and is secretly following him. With different desires his experiences are different to his boyfriend's. This super hot story plays out via their encounters and those they encounter. From piss scenes to mutual fisting, caged slaves, hard-as-nails skin head fucks... It's all here.

At the end of this extraordinary night they meet up again, having had good times with other people they go off to enjoy good times again with each other.

The moral of the story: sometimes a change is as good as a rest!

TITAN MEDIA PRESENTS  
**COPSHACK**  
A JOE GAGE MOVIE  
ON 101

PRODUCTION: **Titan Media** • DIRECTED BY: **Joe Gage**

New Cop Jason Ridge (in his TitanMen debut) has just turned up at police headquarters and is eager to fit in on the force. Before he can exchange hellos, TitanMen exclusive Alex Brawley is called out to investigate a possible prowler. He ends up trading blowjobs and getting fucked hard and fast by horny homeowner Collin O'Neal. He ends up with hot spunk over his cock and uniform after being fucked rigid on the couch. Meanwhile, Jason Hawke is helping two "drivers in distress": bearded Darius Falke and handsome Damien Crosse. Helping them out with a lift to the nearest garage, the two distract Hawke by stripping off in the back of the squad car. Commanding the two motorists to get out, they're soon sucking on each other's stiff cocks.

Damien rims Darius then they swap places as Ridge strokes his cock in anticipation. Ridge bends over and both guys rim him until he shoots his wad. Wanting more, Ridge fucks Darius over the car. Then he lets Damien fuck him. All three guys blow their loads in a torrent.

Cop Matt Majors is moonlighting as a

chauffer on prom night, waiting for Brett Matthews and Kyler Lachlan to drop off their prom dates. "No action, huh?"... Matt's on his knees servicing the young studs. Soon Matt's fucking Brett and then Kyler before offering up his own ass to Brett. Matt returns the favour to Kyler as Brett wanks and watches. After they shoot they take a group piss, soaking each other. A very horny scene for yellow lovers!

Later in a public restroom Alex goes off to take a leak and spies a massive dick jutting from a glory hole. He's down on his knees when fellow officers Nick Horn and Jon Matthews join him. Jon sucks the gloryhole cock as Alex swallows Nick's dick to the hilt. Local cutie Dean Tucker joins the action. He gets pissed on by all three cops before being brutally fucked by Alex. Then Nick gets fucked by Alex while Dean takes Jon's throbbing piece. Jason walks in just as Alex cums over Dean. "Surprised?" says Alex. "Not really" replies Jason...

To be continued...  
Is this the beginning of a beautiful cop relationship?

## QXMEN chats to Studio2000 exclusive Jake Havoc.

# JAKE

# HAVOC

**DOB:**  
July 4, 1985

**HEIGHT:**  
6'0"

**DICK SIZE:**  
10x7"

**PLACE OF BIRTH:**  
Washington DC

**WHERE DO YOU LIVE NOW?**  
Savannah, GA

**WHICH FILMS HAVE YOU BEEN IN?**  
I've been in Big Boat, Copped, Carnal Choices, Bad Boys Club 2, Unzipped, Body Shots, Card Tricks with Studio2000, and I've done a few films outside the studio as well.

**WHAT'S YOUR SEXUAL PREFERENCE (TOP, BOTTOM OR VERSATILE)?**

I'm versatile, but the size of my dick makes it very difficult for me to top for most guys. That may sound like an excuse a bottom would give, but it's true.

**WHEN DID YOU FIRST REALISE YOU WERE GAY?**

I saw the Buffy the Vampire Slayer Movie when I was pretty young, and I developed this huge crush on David Arquette. Thankfully, the crush has passed, but the gayness stayed.

**HOW DID YOU GET INTO PORN?**

When I was 18, I was in a terrible motorcycle accident and was in a cast for more than six months. When the cast came off, I decided to celebrate by doing something I'd always wanted to.

**WHAT DO YOU DO OUTSIDE OF PORN?**

I'm a junior at the Savannah College of Art and Design, and I also bartend at a local gay club.

**WHAT'S BEEN YOUR BEST SEX ON CAMERA? (WHO WAS IT WITH AND IN WHICH FILM?)**

The first scene I filmed with Studio2000 was with Jason Harley. More than any other person, his touch felt electric and raised bumps on my arms. As for kissing him? I'm lucky I didn't have a stroke.

**WHAT'S IT LIKE WATCHING YOURSELF ON FILM?**

It's incredibly frustrating. I always find myself shouting criticisms at the screen, then becoming despondent and not eating anything sweets for a while.

**IS IT DIFFICULT TO PERFORM ON CUE FOR THE CAMERA?**

It can be. Heat and bright lights sometimes trigger migraines for me. If there's something less fun than kneeling in an impractical position to fuck a stranger in a hundred degree room while you can feel your pulse pushing on your eyeballs, I've yet to hear about it. It's like Abu Ghraib with better cameras and mini-sandwiches.

**DO YOU LIKE WATCHING PORN? WHAT'S YOUR FAVOURITE PORN FILM OF ALL TIME?**

I love watching porn. It's so much easier than having a life and dating. My all-time favourite porn has to be Chi Chi LaRue's Mile Bi Club - there's a scene where this clearly straight boy has to suck dick, and he looks like he's trying to swallow a live jellyfish. I think I've watched that scene a few dozen times.

**IF YOU COULD CHOOSE ANY TWO CURRENT PORN STARS TO HAVE SEX WITH, WHO WOULD THEY BE?**

Definitely Francois Sagat and Johnny Hazzard. They're both very versatile like me, and I think that could lead to some really interesting pile-ups. I hope this isn't awkward if I run into them somewhere.

**WHAT'S YOUR FAVOURITE POSITION?**

Reclined. Or did you mean sexually?

**HOW OFTEN DO YOU HAVE SEX?**

With other people? Rarely. I live in an area without very many gay men, and I have high standards. With myself? Constantly.

**HAVE YOU EVER TRIED TO SUCK YOUR OWN DICK?**

I can and do. Unfortunately, the very first time I tried I was only 14, and still had braces on my teeth. That experience left me with a negative impression for years.

**WHAT'S THE ONE THING ABOUT YOU THAT YOU WISHED PEOPLE KNEW?**

I actually do a lot of graphic and screen-print artwork, and I'm starting a website to showcase the more commercial pieces (i.e. t-shirts). A loose prototype is up at [www.havoctees.com](http://www.havoctees.com). I'm also a shameless shill.

**WHAT WON'T YOU DO IN A PORN FILM?**

I won't ever do watersports or scat, in porn or in my personal life. Ever ever ever.

**WHAT'S YOUR VIEW ON BAREBACK PORN?**

I think it can be viewed from a multitude of perspectives, but ultimately it's a bad influence on our industry and on gay culture in general. The reason, as I see it, that high-end gay porn uses condoms is to set an example. Young gay men are impressionable, and implying that raw sex is more wild and exciting only leads to contamination and heartbreak.

**HAS YOUR VIEW OF SEX CHANGED SINCE YOU STARTED WORK IN THE PORN INDUSTRY?**

Yeah, now I over analyze my moves when I'm having it just for fun. I find myself inadvertently cheating my legs out so the imaginary camera has a better view, and moving my dick out of shadow.

**WHAT ADVICE WOULD YOU HAVE FOR ANY YOUNG GUYS**

**THINKING OF GETTING INTO THE PORN BUSINESS?**

Make sure it's really what you want. And not just what you want now, but what you'll want in five years, and ten. Most of all, don't let yourself be influenced by friends who've only been doing it for a few months; peer pressure is NOT a good reason to start in porn. Speak with models that have become directors, with producers, with the photographers. Then you'll really understand what this industry is like. Don't get me wrong, though, it's still totally fun.

**HAVE YOU EVER SAID 'I LOVE YOU' AND MEANT IT?**

Probably. The real question is, did I back up the words with actions? (Probably not).

**IF YOU COULD CHANGE ANYTHING ABOUT YOUR APPEARANCE, WHAT WOULD IT BE AND WHY?**

I wouldn't mind a few extra inches on my dick. I've been billed as "the thickest dick in gay porn," which to me seems about as sexy as "the most interior room in the mid-size sedan segment." Longest AND thickest would be better.

**WHAT'S YOUR FAVOURITE WORD?**

Callipygian. It's used to describe someone with a great ass.

**WHAT'S YOUR IDEA OF PERFECT HAPPINESS?**

The new, revised Cadillac CTS is going to be available as a coupe with a supercharged V-8 and a six-speed manual. So, definitely that. And, yes, I am a car nerd.

**WHAT DOES THE FUTURE HOLD FOR JAKE HAVOC?**

Apparently, global warming and nuclear devastation. That's why I don't watch television.

# Big Boat

PRODUCTION: **Studio 2000**  
DIRECTED BY: **Chad Donovan**

Starring this month's centrefold, Studio 2000 exclusive Jake Havoc (also see interview), Big Boat features a cast of sexy young guys (including the massively hung Barrett Long) that all set off on a houseboat holiday. In the first scene, blonde Christian Owen is sad because he can't join Tory Mason and the rest of the boys on the trip. So Tory makes their parting fuck one to remember. They swap deep kisses and blowjobs, then Tory climbs onto Christian's cock. They then switch and Tory lovingly fucks Christian until they switch back again, culminating in two big cum shots. In the second scene Jake and friends are already embarking on their escapades, when Jake picks up long-haired Luka Alexander at a service station. Jake brings him back to the boat and after passionate kissing, shoves his baseball bat dick into Luka's tight butt. The vacation continues and the sexual tension builds. On a secluded beach, David Gold and Marcos David are sunbathing. Soon David is

sucking Marcos' thick curved cock before taking it up to the short and curlies. Meanwhile, Zakary Ryan (also in Falcon's 'Longboard') and Chris Calix are taking advantage of the deserted houseboat. Chris is soon bent over the table being fucked by Zack.

As the action-packed day draws to a close, Jake and Chris are joined by Tory Mason and the horse-hung Barrett Long, for a mutual wank session that soon develops into full on suck and fuck session, with Barrett's pole deep inside Tory's stretched butt. Jake's monster replaces Barrett's. The scene ends in torrents of spunk – check out Barrett's fire hose cum shot! DVD extras include trailers, a photo gallery, bloopers and behind the scenes footage with interviews.

# Barcelona Nights

PRODUCTION: **Lucas Entertainment**  
DIRECTED BY: **Michael Lucas**

**REVIEW**

It just goes to show that some of the best porn actors make the best porn directors. Michael Lucas' acclaimed international series hits the shores of Spain, where Lucas Entertainment exclusives Wilfried Knight and Bruce Beckham paint the town red with Lucas and newcomer Ross Stevens. From the sleazy underground leather bar Eagle Barcelona to the renowned club Space, Barcelona

Nights is a night on the town you'll never forget!

Edu Boxer, Matt Colmar, Manu Maltes, Marcos Desilva, Fransisco Reyes, Milan Gamiani, Leo Rocca, Eduardo and Ricky Ramos complete the international cast of superstars.

The six scenes take in a hot session over some urinals with Gamiani,

hung Ricky Ramos and Lucas – sporting a skinhead; another hot muscle threeway with Boxer, Maltes and DeSilva, on and over a bar; a beautifully shot Jacuzzi flip-flop fuck scene between Eduardo and Beckham; a food sex scene with Rocca and Colmar (foot fetishists will love this one!); and finally, a post-club four-way between Beckham, Knight, Lucas and Stevens. This final scene is an explosive cum fest. Exhausted, the guys collapse... looking forward to their next stop – Madrid! And so are we!

DVD extras include a bonus scene fuck scene with Wilfried, Ross and Milan and model interviews.

## LUBE UP - AU NATURALE

You are what you eat – well we know that one. And now you are what you lube yourself up with! Certified by the Soil Association, 'Yes' is the world's only range of organic intimacy products. The creators of Yes were so shocked at the chemical content of existing lubricants they sought the only available purity accreditation – organic certification! Our cocks and arses are very sensitive and mucous membranes, such as the ones at the head of our cocks and the lining of our arses, have none of the protection that normal skin has. Yes contains no skin irritants, no petrochemicals, no glycerine and no silicone, and it's made with proven skin healing and mucous membrane protecting ingredients. Plus, there's no compromise in performance as the plant polymers give it a great velvety feel. Yes comes in water-based and oil-based varieties, comes in 25ml and 75ml bottles, and looks great. To find out more about Yes, the ground breaking organic lubricant, go to [www.yesyesyes.org](http://www.yesyesyes.org).

## Recon in Manchester for May Bank Holiday

The boys at Recon join forces with Manchester's 'Kink' to bring you the end of May bank holiday's largest fetish dance event on Monday 28th. They have secured exclusive use of Pure at The Printworks in Manchester (located just behind Victoria Station) and plan to raise the roof with sounds supplied by DJs Greg Holden, Nik Denton and Jack Chang. Throw into this hot and hedonistic mix a stable of horse-hung gogo boys and a club filled with horny guys dressed up in their best kit and you've got the perfect recipe for one fucking hot night!

Recon events enforce a strict door policy. You must dress in fetish gear, be it leather, rubber, sports kit, skin gear, etc. The Recon shop will be open on the night where you can purchase all your naughty party paraphernalia as well as fetish gear, including the latest recon VMFC kit.

Tickets are £8 in advance from [www.quaytickets.com/whatson](http://www.quaytickets.com/whatson) or 0870 803 4820, or from RoB Manchester, Clone Zone Manchester and RoB London. £10 on the door. Doors open at 10pm.

Check out [www.recon.com/events](http://www.recon.com/events) and [www.kinkuk.com](http://www.kinkuk.com) for more details.

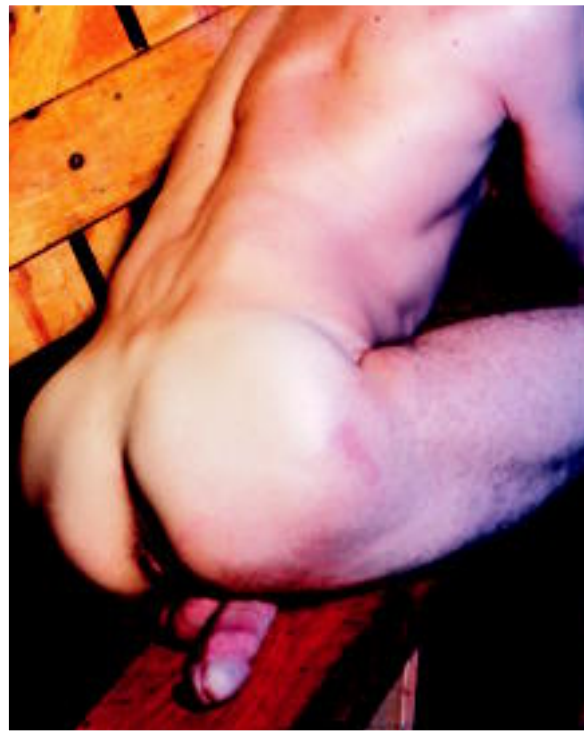

## BEST BUTTS COMPETITION – LAST CHANCE

For the last two issues we've asked QXMEN readers to send in pictures of their awesome arses. And the response has been great! However, we won't be showing you the entries until June's issue. That means you still have a whole month to send in those shots of your tight tushes. We'll print the best entries and the top three will be rewarded with great prizes including horny DVDs, kinky toys and top name designer undies and jocks from Clone Zone and Prowler stores. So what are you waiting for? Get snapping and send those pictures to [qxmen@qxmazine.com](mailto:qxmen@qxmazine.com) or post them to QXMEN, 2nd floor, 23 Denmark Street, London, WC2H 8NH. Please remember to add your contact details.

## EVERYONE'S TALKING ABOUT GAYTANAMO.

Dark Alley Media's latest release usually has mouths drooling – this one has got tongues wagging. Gaytanamo (named after Guantanamo Bay detention camp) features eye-popping images of violence, kidnap, rape and torture, along with (admittedly) some very hot sex scenes. The controversial content has divided the porn-viewing gay public. Its non-sexual trailer was banned from YouTube for "inappropriate content" and hours later XTube banned it too. Director Matthias von Fistenburg had this to say about the obvious political commentary: "On one level, Gaytanamo presents dynamic sex with unapologetic depiction of violent kidnapping, torture and interrogation... on another level, Gaytanamo refers to how government gains power by instigating fear – a fear that binds people and lets the government establish laws that take away privacy and allow for secret persecution and incarcerations. We're bringing attention to how the government has used 9/11 as an excuse to shift power from democracy to a totalitarian dictatorship." Where do you stand on this political pornographic parody? Does the porn industry have the right to comment on real life issues or is this release inappropriate and highly insensitive? The preview video is available on Dark Alley's own blog, [www.DarkAlleyDirt.com](http://www.DarkAlleyDirt.com) – judge for yourself.

## THAT'S AMORA

Amora is the world's first attraction dedicated to love, sex and relationships. It's based in Piccadilly Circus, London, right next to the world famous Trocadero Centre. While not geared specifically towards us guys of the homo persuasion, we guarantee you'll find lots of cock, arse and guy-related interesting stuff. Amora took three years to develop and the content has been created by a team of leading experts including sex therapists, relationship counsellors, medical doctors and academics. Fusing entertainment, excitement and education through cutting edge technology, there are seven interactive zones to explore, including fantasy and fetish, wellbeing love and desire and 'The Amazing Amorgasm'. Special handsets guide visitors through the attraction allowing them to access information discreetly on demand. Demystify the prostate, pick up massage tips, kiss with confidence and get the most out of sex toys. Even learn how to self-examine your bollocks for lumps and bumps and clue up on STDs. In addition, stunning artwork adorns the walls, and currently there's a temporary exhibition featuring 'Sex and Humour' on loan from The Kinsey Institute in the USA. The Aphrodisiac Lounge serves cocktails and smoothies and there's a shop selling sexy novelties and luxury products. Well worth checking out. And the organisers tell us they're about to launch a gay Wednesday. We'll keep you posted. For more info on prices and opening times check out [www.amoralondon.com](http://www.amoralondon.com).

## QXMEN'S NEW WEBSITE: VERY FLASH!

Our website has had a fantabulous make over! All whistles and bangs, it's a virtual emag experience, with realistic turning pages. Instructions as how to launch the new, improved website if you don't already have Adobe Flash Player 9, are quite simple. Once you've downloaded the software it really does come in handy for viewing other websites – including our sister magazine, the weekly QX. Technophobes shouldn't panic as the mag is still available in the old PDF format. Check it out at [www.qxmen.com](http://www.qxmen.com).

## [www.realdirty.tv](http://www.realdirty.tv)

If you like to share your cock while on the move then check [www.realdirty.tv](http://www.realdirty.tv). At the moment of writing this Realdirty.tv are giving away 250 free VIP memberships and until all those memberships are taken, the site is currently free to use. What? Something for nothing I hear you gasp! Well believe me, there's more than just the rent going on here. Realdirty.tv is what the web address suggests and more. You can have unlimited pics and video download plus free messaging. 'But what are we getting?' goes the collective chant. In a way this is online cruising on your mobile. You can upload pics and videos to your profile (which you need to create), and others users can view and download them. They also have the ability to message you and you can even create a buddy list. From the available videos and images on line, a lot of these are done with camera phone/videos meaning some of the video quality isn't the best and a little small to view on your computer although quite satisfactory on your phone. So far most of the stuff is all cock and arse, but that should satisfy most of you. You can even rate what you see. What a whopper? Give it a 10! Primarily a WAP service, you do not need a PC to become a member. Maybe Realdirty.tv on your mobile will replace your other favourite palm held object!

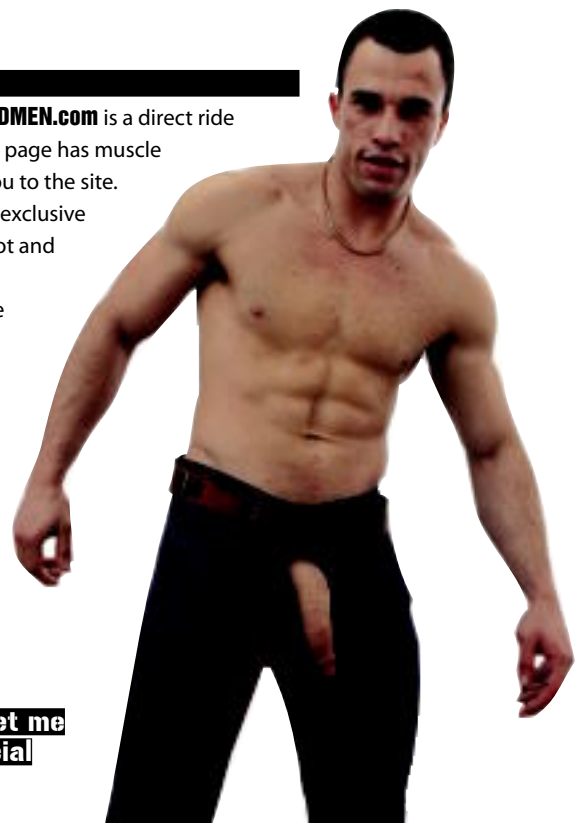

## [www.man-love.com](http://www.man-love.com)

Cock lovers take a back seat while we talk about another one of your organs, the heart. Yes that funny looking thing in your chest pumping blood through your veins is often neglected in favour of your throbbing member. Lust too often wins over love, however man-love.com hopes to change all that. On [man-love.com](http://man-love.com) they are more concerned with affairs of the heart and not those going up your arse. More a socialising website than a cruise site, the aim is to bring love into your world. The site claims to be the premier website for gay men looking for a boyfriend, relationship and love. So while you are out there being the dog, think about finding your Prince on your journey. You can set up a profile for free, have instant video, chat and message services and receive free alert and matches by email. Of course, the best thing about the site is its clearly stated mission; although your cock might do all the hunting, by having a profile on this site you might just find more.

## [www.uknakedmen.com](http://www.uknakedmen.com)

Holy fuck-a-rama butt-man, [UKNAKEDMEN.com](http://UKNAKEDMEN.com) is a direct ride into Gorgeous City. Just the opening page has muscle lads, cock and arses that welcome you to the site. Further investigating reveals videos, exclusive images and galleries of some very hot and horny men. If you like them fit, gym-trained and hot looking then you are going to drown in a sea of pre-cum. The site offers plenty of free preview images and videos to give you a taste of what is to cum if you join up. The content is said to be 100%

original and with MEN not BOYS. They also claim to have Britain's sexiest men, and from the previews, who are we to argue? The videos are downloaded at a decent screen size of 720 x 540 without the hassle of Digital Rights Management. If you suit the look, they are even looking for models.

If you have a website that would be suitable for this page, please let me know by dropping me an email at [brent@brentnicholls.com](mailto:brent@brentnicholls.com). Commercial site, personal homepages, free galleries are all welcome.

# spotlight on S&M

## - Sadism & Masochism

BY DR ALEX VASS

Lots of guys like sex that can be a bit rough, involves a bit of restraint and the wearing of a little leather now and then. But S&M goes past that. Men who are into S&M play get their sexual kicks from playing out their fantasies by experimenting with behaviours involving domination and submission, role-play, stimulation and pleasurable pain. Encounters are very thought out and planned in advance with sessions lasting for hours or even days. The dominant partner enjoys being in control and giving out the orders. He is the one who does the tying up, the spanking, the cock, ball or nipple play. The submissive guy gets aroused by being dependant, vulnerable and controlled.

*I've met a guy who is into S&M. We haven't done much yet but I have had fantasies about him doing what he wants to me. I've always had these kind of thoughts and am kind of scared to get into that whole scene. But I do trust him so I reckon I should let go a bit and see where the whole experience takes me.*  
Mark

### First steps

The first steps into S&M are some of the most exciting times many guys experience in their sexual lives, especially if they've lived with fantasies for years before taking steps toward fulfilling them. But before deciding that you would like to experiment with S&M sex there are some factors to consider:

- S&M is not about abuse but about consensual sexual activity that involves differing levels of erotic stimulation for mind and body. So only play with someone you trust. If you can't play with a lover or one of your regular partners, ask your friends to recommend someone.
- There's a huge range of activities which can be classified under the broad range of S&M, and most of these have various degrees and levels of intensity. You need to think about what you would like to try and to what level, and discuss and agree this with your partner beforehand.
- It's absolutely vital to agree a stop word because it provides both parties with a clear signal that whatever is happening has to stop immediately.

### Your health

Picking up and passing on sexually transmitted infections and HIV is a risk in S&M just as it is in 'regular' sex. So play by all the regular rules. But there are some extra health risks that you should be aware of. Most guys into S&M are very aware of these issues and so S&M, if practised with care, can be safe.

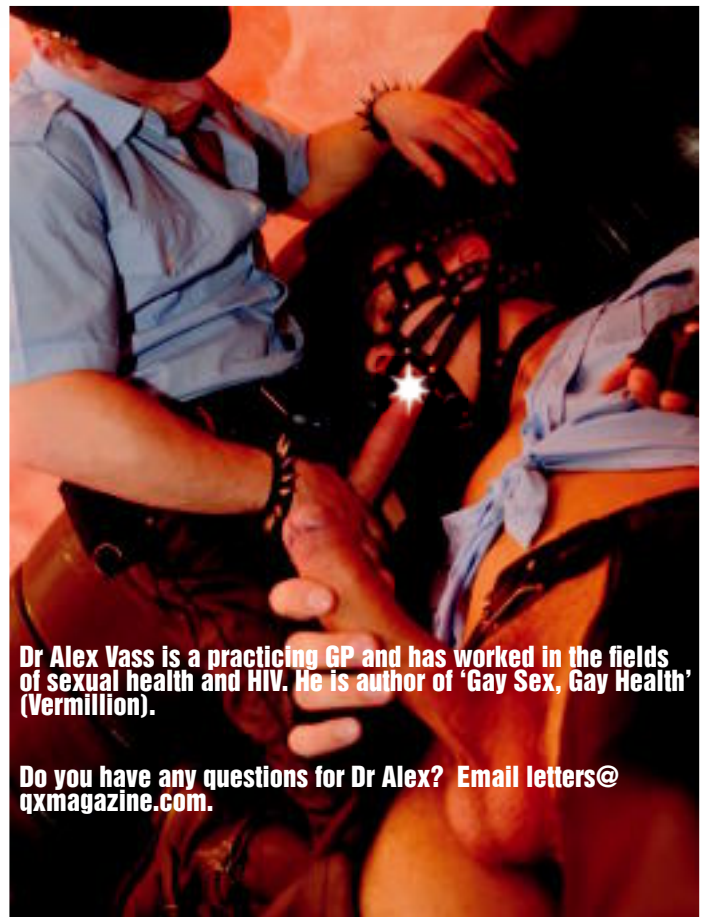

● Some people find being spanked or flogged very erotic, but when hitting the body avoid the major internal organs and structures of the body such as the stomach, kidneys, liver or spine and never hit above the neck. Aim for the large muscle groups like the buttocks, chest or thighs. Remember that in England and Wales it is illegal to engage in any sexual activity that causes injury, even if both parties consent. The current legal definition is that any marks on the body as the result of a sexual encounter must be 'trifling and transitory' for the encounter to be legal. General opinion is this means marks lasting no longer than 20-30 minutes. If blood is drawn by the skin being broken, deal with it immediately and avoid getting blood, pre-cum or semen into the wound to prevent the transmission of HIV.

● Bondage or wearing hoods can cause chafing or even restrict of the blood supply. Never tie anything around the neck as this could easily lead to accidental strangulation, never leave a bound partner alone, ensure that bondage materials are never too tight and check for pins and needles regularly. Keep a pair of bondage scissors to hand and ensure that you have spare keys for any handcuffs and padlocks.

● If you intend to share sex toys then use fresh condoms for each guy. The best idea is to have separate sex toys for each person. Most sex toys are safe if used correctly but not if you get carried away.

● Mixing drugs and sex can be dangerous because, as your inhibitions and common sense melt away, you may take more risks and cause yourself or your partners harm.

If you want more information about S&M then there are two websites I'd suggest. The first [www.gmfa.org.uk](http://www.gmfa.org.uk) is GMFA who run S&M courses for gay men. SM Gays [www.smguys.org](http://www.smguys.org) provides loads of information and also have regular 'discovery' nights where you can learn more about S&M techniques.

# Your Shout...

Have you got a comment, a filthy story or even some horny pictures that you'd like to share with QXMEN? Email [qxmen@qxmazine.com](mailto:qxmen@qxmazine.com)

Dear QXMEN,

I loved the April issue... So many cute twinkles and hot guys to drool over - thanks. But who is Jake Havoc, the sexy bugger with the huge trouser snake at the start of the magazine? You really are teasing us putting a picture that like in QXMEN and then not giving us more! Please, please tell me where I can see more of this gorgeous looking sex god?

Dave, Bristol

Hi Dave,  
Well if you take a look through this issue of QXMEN you'll be pleased to see that we've not only reviewed 'Big Boat' starring the sexy Jake Havoc and his 'slap-you-in-face' monster cock but we were also lucky enough to interview the hot young guy (see page 34). And not just a nice guy with a massive knob, he's clever articulate and really funny! What a catch eh?

Dear Editor,  
What's with all the twinkles in the last issue? Where were the big boys with hairy chests - like the ones from Raging Stallion, Colt, Titan, etc? I really loved the last two covers and then you put two "kids" on the cover... What's going on?  
Ben, Birmingham.

Dear Ben,  
They do say you can't please all the people all the time. Yes, April's issue was quite "twinky", but horses for courses and

all that. There are loads of guys that like their totty smooth and young. I'm glad you have enjoyed our coverage of the more "manly" porn companies and you can rest assured that a lot more big, burley blokes will be coming your way soon.

Dear Editor,  
I read QXMEN every month and you're always featuring new and different types of lubes - silicone-based, oil-based, water-based and I've even seen fruit-flavoured! But with so much choice I just don't know which is the best one to use. Is there any chance QXMEN could do a test-run on the different types out there? It would also be great to know which is best for which purpose, i.e. the best for fucking or the best for lubing up toys... And if you needed a guinea pig to test them out then I'd be up for it!  
Rupert, Norfolk

We must agree with you Rupert. There are so many different types of lube to choose from nowadays and it can be a bit baffling when you walk into your local sex shop and you're greeted by a whole display cabinet of different lubricants. Plus, there are new ones coming onto the market all the time - see this month's Sex-tracts for news of a new 'organic' lube called 'Yes' for eco-friendly guys who like their lube a little more natural. You know what, a feature called 'Lubes, Tried and

Tested' sounds like a great idea. Watch this space!

To the QXMEN team,  
Well, all I can say is you've surpassed yourselves in the huge cock department with Steven Prior in April's issue. When I turned the page I nearly spilt my beer down my t-shirt and I must admit, I did get a magnifying glass out to check if it was real and the photo hadn't been doctored, as it's so gigantic! I haven't had the chance to go out and buy Rudeboiz 6 to see the boy and his massive tool in action, but I'm definitely going to.  
Andy, Ross-on-Wye

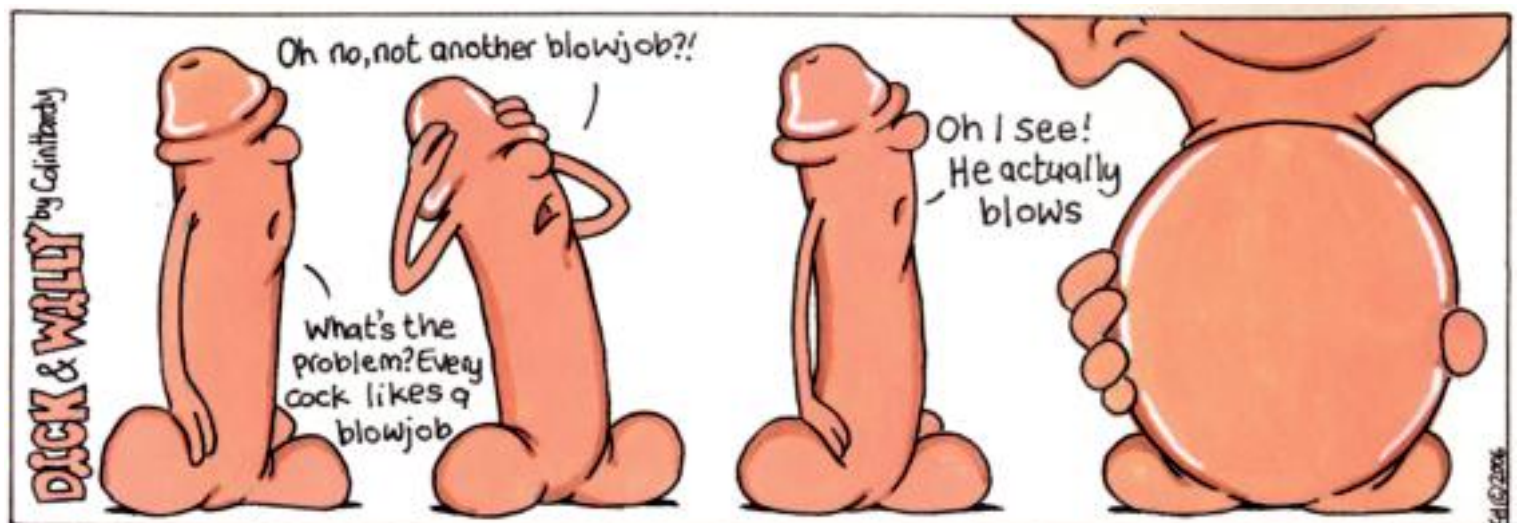

Hi Andy,  
Yep, it sure is one jaw-dropping cock and, young Steven's only 19 years old. Think of all the lucky guys that are going to get a taster of that

testosterone-fuelled teenager with all those hormones racing! We reckon he's got a very bright future ahead in the porn industry. And just to give you a taster of what Steven Prior gets up to in Rudeboiz 6, QXMEN had the hard task of reviewing it this month - see page 32.

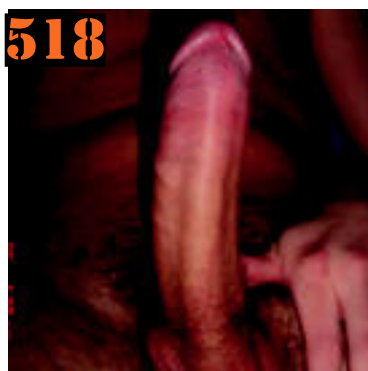

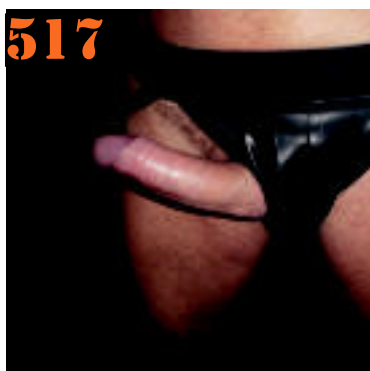

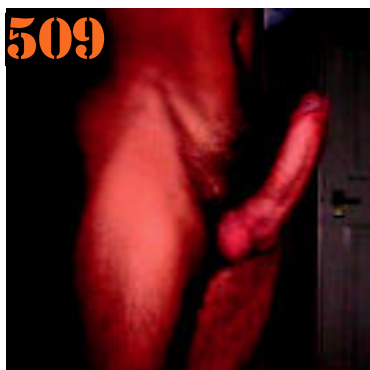

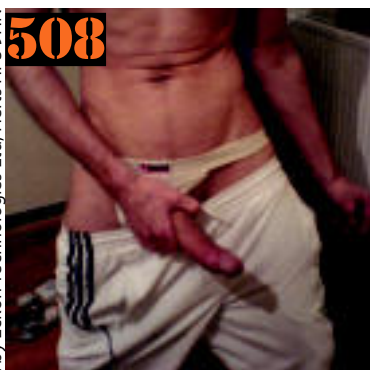

Dear Editor,  
Finally, someone has done a feature on Triga! Thankyou. I've long been a huge fan of all Triga's films, especially the skinhead ones. I'm a bit of a porn aficionado having collected porn for over thirty years. My collection includes well over two thousand films! However, over the last few years I've lost interest in American porn (generally), preferring the more home-grown UK produced stuff. I like the "raw" way Triga films are shot. I love the way the guys are real "boys next door": builders, soldiers, rugby players... My kind of guys. Let's have more of Triga soon!  
Cheers. Brian, Bournemouth.

Hi Brian,  
Triga certainly does fly the British flag proudly for the UK porn industry! Check out the two reviews of the recently released Suited & Booted and Louts United that were mentioned in April's feature. Most certainly one to watch is the soon-to-be-released Fuck A Hoodie. We hear it's a scorcher and we can't wait to get our hands on a copy.
